Tonight tells the story whether or not the La Grande Commercial club will pass out of history or will continue to do business at the same old stand. If the business men and property owners of this city consider that such an institution is of advantage to this city and county, a sufficient number will turn out and assist in the reorganization, there is no question but what the club can be made to perform the functions that are expected of such organizations, but if this support is not forthcoming the club cannot exist.

La Grande investors will not want for the lack of opportunity to purchase automobiles this year. It is reported that two manufacturers will each ship a carload of machines to this city with demonstrators. The reason La Grande has been selected as the objective point is that this is a natural shipping point for a large territory. La Grande will at no distant day be the distributing point for many wholesale lines.

Commencing next Monday our public school will not dismiss in the afternoon until 4 o'clock. During the winter months it has been the custom for several years to dismiss at 3:30.

Mr. U'Ren has commenced his speaking campaign for the nomination of United States senator. He has not yet announced when he will visit eastern Oregon.

BANKRUPT SALE BEGINS SATURDAY, FEB. 29. Having purchased the Heacock stock of Jewelry from the Trustee in Bankruptcy at a small per cent of its real value, it is our intention to dispose of the entire stock with in as short a time as possible and in order to accomplish this result we have marked down the original price to nearly ONE-HALF PRICE. The Heacock stock is one of the largest and contains the most varied assortment of strictly high grade jewelry in Eastern Oregon. The stock contains a splendid assortment of Watches, Clocks, Cut Glass, Hand painted China, Rings, Chains and Locketts. The line of solid and plated silverware is as fine as can be found outside of Portland. Buyers will find that never before have the people of Union county been offered reliable jewelry at such remarkably low prices. We are not jewelers, and do not expect to become such. We simply purchased this stock as an investment and in order to make it a satisfactory one we must dispose of it at once. We have made the price so low that we believe that within a short time the entire stock will have been disposed of. A call at the store will convince you that we have marked prices down to the limit.
