

THE BETTER KIND OF COUGH CURE

There are all kinds of cough cures on the market, some made to sell merely, some made to stop coughs by drugging them into silence with narcotics, some made to do what should be done in order to properly cure coughs.

NEWLIN'S WHITE PINE EXPECTORANT

is the latter kind. This remedy may not always cure as quickly as those which are loaded with narcotics, but it cures quick enough; the cure is certain and when you are cured the cause is removed. We offer this remedy to those who seek the best cough cure it is possible to make. The remedy has won high favor in this locality and deserves to be your regular family cough medicine.

MANY PLANS ARE READY

Valuable suggestions are being formulated and will be presented at the mass meeting in the Commercial club tonight, when the future life of the organization will either be given its death blow or given a boost that will again place it upon its feet.

Financial statements will be prepared and the exact status of the club's finances will be explained to those who attend. Men who have the city's welfare at heart, are throwing away every other tie for this evening and will be there, loaded with plans and suggestions.

The meeting will commence at 8 o'clock. Already there are well defined plans suggested for the future of the institution, but the best way to present these plans is to be there tonight and talk.

POSTPONE CLAM BAKE

There will be no festal festivities at the Central hose house this evening notwithstanding the announcement to the contrary. The entire fire department of the city had planned on a "big feed" for tonight, but delayed arrival of clams, the principal item on the menu, is responsible for a postponement until a week from tonight at that time lost time will be made up or in the way of all the larger portions from the clam oven.
