LETTER-HEAD SCHEME FOR BOOSTING OREGON TOWNS

Portland, Ore., March 2.—(Special correspondence.)—Various organizations in the Oregon Development league are adopting a special letter head for use during March and April only, something so striking that the colonist rates cannot be overlooked by its recipient. Business men are using the same stationery. Already answers are arriving to advertisements inserted in the greatest agricultural, fruit and dairy journals of the country by the league about the middle of February, and long lists of inquirers are being sent to the different commercial secretaries whose organizations are affiliated with the state body. Hundreds of thousands of pieces of literature are going east from every part of Oregon. Every mail carries its message. Especially valuable are the fruit bulletins and report of the Oregon State Dairy association sent from the home office. The Los Angeles information bureau maintained by Oregon, reports a number of people coming north immediately as a consequence of its few weeks' work.

The trend of civilization has always been westward, said Henry Watson Cornell in a lecture recently delivered before Portland business men, "since it crossed Asia to sweep through Europe. Immigration is now flowing west through the United States with irresistible force, but the Pacific coast is the limit of this great tidal movement, and here will be found the greatest cities in the world. The solidity and substantial character of Portland must impress any visitor, while the vast tributary district of both Oregon and Washington represents greater wealth than can ever be taken from the gold mines of the continent."

March 15 has been named by the judges of the Commercial club's \$5000 contest as the date when their labors will probably be completed. It is proving an arduous task to judge the hundreds of papers submitted.

The executive committee of the American Association of Traveling Passenger Agents is meeting in Chicago this week to decide upon the details of their convention this coming summer, to be held in Seattle. J. H. O'Neill, of Portland, is a member of this committee, and when he left for the east last Friday carried with him a most cordial invitation from the Portland Commercial club to include at least a two days' sojourn in the "Rose City" in the itinerary of the association's northwestern trip. Their friendliness for Oregon has been manifested by the Traveling Passenger Agents on innumerable occasions.

John Harper, who will superintend the float making for the Rose festival in June, is an expert in this line, and for many years has had charge of this feature for the "Veiled Prophet" of St. Louis.

Is a dead issue. So says Dr. H. C. Parker of the Indiana School of Medicine, in Collier's Weekly. We concur with him. Blue Mountain Cough Syrup will cure your cough, not as pleasant to take as some others, but it contains the ingredients that will positively and absolutely cure that cough.
