YOUR WORK

Is what we want. We don't call on you one week for it and tell you the next we cannot do it for you. We want it now, and all the time. We do not think it necessary at this time to say anything about the class of work we turn out. The fact that we have been in the LAUNDRY business for twelve years in La Grande we think sufficient evidence that our work is satisfactory. Try it.

PLANS FOR CHAUTAUQUA

(Continued from page 2.)

less money in a community. The Commercial club of any community could well afford to assist in the promotion of a Chautauqua for its advertising advantages. Hundreds and thousands of strangers hear of a city through the literature connected with the Chautauqua. But in comparably the benefit of Chautauqua is through the educational and moral uplift which comes to a community by coming in contact, at the annual sessions, with the finest and best minds in America.

Many a boy and girl, in the formative period of their lives, find themselves, when sitting under the inspiration and listening to a Hillis, a Gunsaulus or a McIntyre. Thousands of men and women have been helped into higher living by the inspiration which comes with the annual sessions of a Chautauqua association. If I were to put it in a phrase, I would say that Chautauqua is not an education but an inspiration. It is clean, wholesome and beneficial recreation.

Now as to the business end of it, let me say that most Chautauquas are organized as a corporation. The capital stock depends upon the local situation and the value of land in each community. In most instances a capital stock of from \$5000 to \$10,000 would be found sufficient. This would not be true, however, if a large sum had to be paid for the necessary lands. An auditorium such as you will need will cost from \$2000 to \$3000 and would seat 3000 people. The transportation is an all important matter and must be looked after carefully. An abundant and pure water supply is absolutely necessary.

Let me again say in conclusion, and let this be emphasized, that if you desire to organize a Chautauqua association, be careful of the foundations and be sure that you make them broad enough to enlist the co-operation of all good people. If we can be of any service to you or your people in the working out of the many details, we will be pleased to aid in any possible way. If you should organize soon, we could arrange, no doubt, for some of our talent to appear in your program this year. Then, of more importance, your assembly would no doubt be gladly admitted into the coast circuit, making the fifth Chautauqua, and the same circuit talent would serve all.
