IMBLER ITEMS

Imbler, March 2.—(Observer special.)—A. F. Wilson is building a storage house.

John Hyde is starting a residence on his lots, recently purchased from C. R. Hibberd.

H. S. Alexander has secured an excellent horse shoe. Mr. Alexander is the man who has devoted 50 years to working iron and is the oldest blacksmith in America.

B. F. Webb is loading potatoes. The markets look better.

C. R. Hibberd and S. L. Brooks visited La Grande on Market day.

A traveling salesman had an apple here Saturday that he took from a hotel table at Hood River. The specimen is a traveling advertisement.

Saturday afternoon the residence of C. R. Hibberd on the Bennett ranch, caught fire and was totally destroyed.

Insurance covers the loss partially. Mr. Masters was living in the house and everything he had in the building was burned except a box of pork. Mr. Asbury Stancel started a subscription for the benefit of Mr. Masters family, and soon over \$125 in money was donated. They are now living with John Kemp until Mr. Hibberd can build another house, which he will do as soon as the insurance is adjusted.

A. F. Wilson is loading a car of potatoes today.

J. S. Smith had the misfortune to lose a valuable horse in a runaway Saturday. A four-horse team was left standing and suddenly became frightened, causing the runaway. Before the plunging and struggling mass of horseflesh was quieted, one of the animals had broken a leg. He was an animal weighing more than 1600 and easily worth \$200.

J. L. Wade and W. B. Each are riding in their new auto. J. M. Shanks has also recently purchased a machine.

Harry J. Delaplain is in the east selling potatoes for the I. M. & S. Co., and is doing well, according to reports.

The Ladies' Aid society gave a supper and had a fine program arranged here Saturday night, clearing about \$35. Ten dollars of this amount went to the Masters' family. The society has sufficient funds to paper the church.

L. Oldenburg visited his son, Barney, last week.

Mr. and Mrs. Cable, of the Imbler hotel, were called to Eagle valley on account of the serious illness of their little grandson.

The Willow Creek school closes Friday, March 6, with a dinner and program.

Threshers Meet in Wichita.

WYichita, Kan., March 3.—Threshing machine operators from all over the west and southwest, together with representatives of all the manufacturers of threshing machinery, are in attendance at the seventh annual convention of their association, which opened in Wichita today. The local association is really the National Threshermen's association. It is the parent of the few other such organizations in the country. It was the only one of its kind until last year, when a similar organization was formed in Michigan. The local conventions were the only ones of the kind ever held in the country until last year, when one was held in New York.

Examination for Carriers.

The United States civil service commission announces that a carrier examination will be held at La Grande, Oregon, March 21, 1908, for the purpose of securing an eligible register from which the postmaster will select two carriers and one substitute. The postoffice department proposes to establish city free delivery at La Grande, Oregon, on May 15, 1908.

Applicants should at once apply to the postmaster, La Grande, Ore., or to the secretary, board of civil service examiners, Postoffice building, San Francisco, Cal., for application blank and further information.

Cured Hemorrhages of the Lungs.

"Several years since my lungs were so badly affected that I had many hemorrhages," writes A. M. Ake, of Wood, Ind. "I took treatment with several physicians without any benefit. I then started to take Foley's Honey and Tar, and my lungs are now as sound as a bullet. I recommend it in advanced stages of lung trouble." Foley's Honey and Tar stops the cough and heals the lungs, and prevents serious results from a cold. Refuse substitutes. A. T. Hill.
