Cured After Physicians Said He Had Consumption.

E. H. Jones, Pastor M. E. Church, Grove, Md., writes: "About seven or eight years ago I had a very severe cold which physicians said was very near pronounced consumption. Through a friend I was induced to try a sample of **Foley's Honey and Tar**, which gave me so much relief that I bought some of the regular size. Two or three bottles cured me of what the physicians called consumption, and I have never had any trouble with my throat or lungs since that time."

Three sizes—25c, 50c, \$1.00. The 50 cent size contains two and one-half times as much as the small size and the \$1.00 bottle almost six times as much.

SOCIETY.

The ante-Lenten season for 1908 came to a close last night when what is declared by many to be the most elaborate, thought entirely informal, dancing party of the year. Over 300 guests attended the dancing party given by a group of young gentlemen at the Commercial club auditorium last night, and to a man, all went away feeling that the last evening before Lent had been agreeably spent. Many details were new and novel. Materially aiding the splendid orchestral organization were numerous canary songsters, lustily warbling during the evening. The effect was pleasing. The birds were not the only deviation from custom in many of the details. Carnations were worn by every lady guest and the hosts. The decorations were simple but very attractive, principally because of their simplicity. The usual cozy corners existed, but a sort of a roof garden was provided for on the diaz generally occupied by the orchestra. This was a popular resort for those who preferred to sit out the dances, and came in for its meed of praise.

Punch was served from an artistically arranged booth, by Misses Marjorie McCall and Runa Bacon. Compliments have been showered on the popular young men who arranged the affair, for expense and labor had been forgotten in the effort to make the event one of some consequence. The following were hosts:

H. M. Bay, A. C. Bacon, L. F. Ivanhoe, D. L. Hynes, D. J. Scott, C. W. Van Fleet, W. E. Bunker, R. W. Goodman, B. C. Hutchison, H. A. Thomas, H. H. Mack, A. W. Nelson, R. D. Goodnough, P. A. Foley, C. M. Bohnenkamp, Hugh McCall, R. D. McKennon, C. H. Button, Leo Herring.

The Current Topic club will meet next Saturday afternoon with Mrs. C. E. Deal. Miss Margaret Kirk will assist the hostess. Attention is called to the change in date.

The Afternoon Kaffe Klatch will be entertained by Mrs. Jay Van Buren next Friday afternoon.

The Five Hundred club will be entertained tomorrow afternoon by Mrs. Guy E. McCully.

CHAMPIONS ALDRICH BILL.

Likens Questions Unto Stability of a Grain Crop.

Washington March 4.—Senator Hopkins of Illinois, championed the Aldrich financial bill today in a speech in which he denounced the detractors of the measure.

"There is no more reason why a man should be guaranteed the return of his funds placed in a bank than he should be guaranteed a crop," he said.

Trouble in Wealthy Family.

Pittsburg, March 4.—Mrs. Harry Skinner, wife of the wealthy carriage manufacturer, and George H. Lowe, a coachman for Mrs. Mary McJones, were arrested in a downtown hotel, where they were registered as man and wife. Mrs. Lowe was shadowed by her husband all night. He appeared at the police station and asked for a detective, whom he led to the hotel. She tells a story of cruelty on the part of her husband.

Jury Discharged.

With the exception of the jury now impanelled in the Bartlett trial, Judge Crawford today discharged the remainder of the jury in attendance at this term of court, which indicates that the term is drawing to a close.

CATARRH A FAR-REACHING BLOOD DISORDER

Even in its early stages Catarrh is almost intolerable, caused by the stuffy feeling in the nose, the buzzing noises in the ears, the continual "hawking and spitting" difficult breathing, etc. But when the blood becomes thoroughly polluted from the catarrhal matter, the inflammation extends to the bronchial tubes, causing hoarseness, and often an aggravating cough; the stomach is affected, resulting in dyspepsia, loss of appetite and strength, and gradually all the mucous membranes of the body become diseased and the system upset and deranged. Frequently the kidneys and bladder are attacked, and the constant passage of impure blood through the lungs, diseases these important members, and Catarrh terminates in Consumption. Catarrh is a deep-seated blood disease, and must be treated constitutionally, for it is beyond the reach of local treatment. S. S. S. cures Catarrh by cleansing the blood of all the impure catarrhal matter and at the same time building up the entire system. It goes down and attacks the disease at its head, in the circulation, and removes every trace of the impurity that is causing the trouble. Then as rich, pure blood circulates through the body, the inflamed membranes commence to heal, the mucous discharges grow less and finally cease, and all the disagreeable and disgusting symptoms of Catarrh disappear. S. S. S. has no equal as a cure for this disease. It refines and purifies the entire circulation and repairs the damage done by Catarrh. Special book on Catarrh and any medical advice free.
