YOUR WORK

Is what we want. We don't call on you one week for it and tell you the next we cannot do it for you. We want it now, and all the time. We do not think it necessary at this time to say anything about the class of work we turn out. The fact that we have been in the LAUNDRY business for twelve years in La Grande we think sufficient evidence that our work is satisfactory. Try it.

MAKE PLANS KNOWN NEXT FRIDAY NIGHT

make plans known next Friday
COMMITTEE WILL REPORT
ON ITS PLAN THEN.

Mass Meeting at Commercial Club Tomorrow Night Will Hear Plans Formulated by the Finance Committee—Met Last Evening But Nothing Definite Done—Urgent Need for a Large Crowd Tomorrow—Last Meeting Failed to Fulfill its Real Purpose, Hence the Need of a Big Crowd Tomorrow.

The finance committee appointed by the last mass meeting at the Commercial club, which juggled with the problems that confront that organization, met again last evening, but owing to absence of several of the members, the contemplated steps were not taken.

That there is a plausible solution to the financial situation of the La Grande Commercial club, now in the process of formulation, is assured by members of the committee. However, it will not be made publicly known until the mass meeting next Friday evening convenes.

Therefore it behooves every interested citizen to be out at this meeting Friday night. Be on hand at 8 o'clock and lend your voice in approval of what seems to be the best solution to the knotty question.

The finance committee is hoping that as large a crowd as was out last Friday night, will again be seen. That meeting was only instrumental in settling the business men thinking and to acting. It is even more urgent that a representative number be out Friday night, when the effort of this committee will be made known and the attendants given something real to work on. Plan now to be there. There were hundreds of business men who should have been out last Friday night, but stayed away. These should be out next Friday night.

Confer on Freight Rates.

Announcement was made this morning that the second meeting between the committee from the Farmers' Union and the officials from the O. R. & N. and N. P., for the purpose of securing a reduction in the freight rates of grain bags, would be held Saturday afternoon in the O. R. & N. ticket office in this city, says the Walla Walla Bulletin.

According to District Agent Robert Burns of the O. R. & N., R. B. Miller of Portland will be present at the meeting, and upon good authority it was learned that Henry Blakley of the N. P. will also be present.

With a view to securing a lower rate on grain bags between Portland and Sound points and Walla Walla, the farmers of this section of the country asked for this meeting to be held February 15. The meeting was held at that time, but Henry Blakley of the N. P. could not be present and the second one is made necessary.

Farmers claim that the present rate, which is 52 cents for carload lots, and 5 cents for less than carload lots, is too high, and the hearing here Saturday will be for the purpose of hearing the protests of the farmers, and for the purpose of investigating the grounds upon which they ask for the reduction. Just what reductions will be called for by the farmers is not known, but they will probably endeavor to have the rate reduced to about half.

Cured Hemorrhages of the Lungs.

"Several years since my lungs were so badly affected that I had many hemorrhages," writes A. M. Ake, of Wood, Ind. "I took treatment with several physicians without any benefit. I then started to take Foley's Honey and Tar, and my lungs are now as sound as a bullet. I recommend it in advanced stages of lung trouble." Foley's Honey and Tar stops the cough and heals the lungs, and prevents serious results from a cold. Refuse substitutes. A. T. Hill.
