In his appeal for the continuation of the Commercial club, Mr. Collier in his article which appears in this issue, and which should be carefully read and considered, touches upon several opportunities to secure industries and institutions that would be of great advantage to this city and county. We wish every reader would consider Mr. Collier's suggestion regarding a Chautauqua; this is a very important matter, and if the Commercial club did nothing more during the present year than secure a Chautauqua, it would accomplish much. A county high school is another proposition that is worthy of the best energies that is work for a live commercial club in this city. Let us rally to the meeting this evening, give it our support, and insist that after we do our duty, that the club perform its functions.

It is the duty of every voter to register and participate in the primary nominations. Under our new system the people have no one to blame but themselves if their respective parties do not place good men on the tickets. At the present time only about one-half of the voters of the county have registered. Remember the registration books close for the primaries on April 2. Unless you are registered you cannot vote at the primaries. At the general election you may vote by securing six freeholders to swear you in, but this does not apply to the primary election. You cannot vote unless you are regularly registered.

The friends of Ed Rumble of Elgin are insisting that he become a candidate for joint senator for Willowa and Union county. Mr. Rumble was formerly a resident of Willowa county, but for several years past has resided at Elgin. He is thoroughly acquainted with the needs of these two counties, and being energetic and active, and a shrewd business man, would certainly be qualified in case he should enter the race.

Reports from the mountain districts are to the effect that a heavy fall of snow has been the result of the precipitation within the past 48 hours. Earlier in the season our people were afraid of a dry season during the summer months on account of what they supposed would be a light fall of snow, but the large mountain ranges which serve this country as great reservoirs, are well supplied as usual.

Let every one interested in the welfare of the city attend the mass meeting at the Commercial club tonight. It is just possible that we will not be permitted to have a Commercial club to hold our public gatherings in. If we all do our duty and turn out, we will place the club on a firm financial basis and start it working on the lines which its name implies.

If your Observer is not delivered as it should be, please notify this office. Phone Main 13. We will consider it a favor.

# BANKRUPT SALE

BEGINS

SATURDAY, FEB. 29

Having purchased the Heacock stock of Jewelry from the Trustee in Bankruptcy at a small per cent of its real value, it is our intention to dispose of the entire stock with in as short a time as possible and in order to accomplish this result we have marked down the original price to nearly

# ONE-HALF PRICE

The Heacock stock is one of the largest and contains the most varied assortment of strictly high grade jewelry in Eastern Oregon. The stock contains a splendid assortment of Watches, Clocks, Cut Glass, Hand painted China, Rings, Chains and Lockets. The line of solid and plated silverware is as fine as can be found outside of Portland. Buyers will find that never before have the people of Union county been offered reliable jewelry at such remarkably low prices. We are not jewelers, and do not expect to become such. We simply purchased this stock as an investment and in order to make it a satisfactory one we must dispose of it at once. We have made the price so low that we believe that within a short time the entire stock will have been disposed of. A call at the store will convince you that we have marked prices down to the limit.
