RE-ORGANIZATION IS THE PROPOSAL

EASY PAYMENTS ARE OPEN TO YOUNGER SET.

Each Member of the Club Will Be Asked to Purchase One Share at \$10 and Maintain His Dues Besides—Mr. Scriber Subscribes 19 Shares for Boys to Pay in Easy Payments—Plan Will Be Tried as a Feasible Solution to Condition.

There was a splendid attendance last night at the Commercial club, to hear the reports of the committee on the proposed financial reorganization of the club, which provides for refunding the present debt, which, all told, amounts to \$10,000; this will include a proposed expenditure of about \$1,000 for new furniture, papering and additions to the athletic rooms.

The new plan proposes that each member and prospective members subscribe for one share of stock. This is expected to raise not less than \$3,000. Satisfactory arrangements can be made for the paying of the \$10 share on the installment plan if desired. Mr. Scriber, in order to assist some of the younger members, subscribed for 19 shares, which can be paid at the rate of \$1 per month or more. After a thorough discussion most all present thought the plan an ideal one and the soliciting committees will get busy after next Monday. Every one present was unanimous for maintaining the club, and if the membership can be increased, there is no danger whatever, but that it can be satisfactorily reorganized.

Following are two agreements, one which covers those wishing to join, and the other those who are already members:

For Non-Members.

Whereas, the field for progressive work in the future is widening and the club can be of vast benefit to the town; and,

Whereas, the club, at the present time, is in rather straightened financial circumstances, and needs to enlarge its membership by holding the members it already has and getting as many new members as possible; and,

Whereas, it would be beneficial to the club to absorb the Building & Loan association and own the building; therefore,

I, the undersigned citizen of La Grande, who am not at present a member of the La Grande Commercial club, do hereby agree to join the club and buy one share of the Building & Loan association as an initiation fee, and the ownership of the share of stock to remain in me, and that I will hold my membership for at least one year from this date and pay my dues of \$1.25 each month in advance, as the same becomes due. It is understood that if the membership of the club can be increased to 300 the dues will be reduced to \$1 per month.

WHEN YOU CATCH COLD

Do not take chances on it wearing away or experiment with some unknown preparation which may leave the bronchial tubes and lungs weakened and susceptible to attack from the germs of Pneumonia or Consumption.

FOLEY'S HONEY AND TAR

not only stops the cough but heals and strengthens the lungs and prevents serious results from a cold. Contains no opiates.

Be Sure You Get Foley's

There are substitutes made to sell on the good name of Foley's Honey and Tar. Beware of them. You should have confidence in a cough cure that has been sold with universal satisfaction for thirty-five years. The genuine Foley's Honey and Tar is in a yellow Package. See that you get it.

Three sizes—25c, 50c and \$1.00. The 50-cent size contains two and one-half times as much as the small size and the \$1.00 bottle almost six times as much.

A Mother Testifies

This is to certify that my daughter was down for almost one year with a cold. The doctors finally pronounced it consumption. We had given up hope for her recovery. I was given a sample bottle of Foley's Honey and Tar. I gave it all to her in about three hours. It stopped the cough, and gave her rest. I sent next day and bought a 50c. bottle and began giving it. In three month's time she was well. There can not be too much said in favor of Foley's Honey and Tar. It saved my child's life.
