CANNERY POSSIBLE

J. E. Shirts of Canada, who is here looking over the valley with a view of locating, is especially interested at present in looking up our fruit industry from the standpoint of a cannery. Mr. Shirts, prior to moving to Canada, built and operated the first cannery in Utah county, which today is a large and prosperous institution. He sees no reason why a cannery and dryer combined would not be a good business enterprise in this valley, both from an operators viewpoint, as well as the grower. He has not yet made up his mind, but will make a careful examination of our conditions and may decide to do something in this line. He is well pleased with the valley and will undoubtedly invest and make this his home.

WHITMAN TEAM OUT.

Big Squad of Students Want in With Whitman 'Varsity Nine.

Whitman College, Walla Walla, March 11.—Baseball practice has commenced on Aankeny field, and an excellent squad of men and a heavy schedule insure a good season for Whitman. More than 20 men have signed up for regular practice, and this squad includes the names of every member of last year's team, but two. The team is strengthened greatly by Brubaker, who is just as good a baseball player as a football man, and Stanley Borleske of Spokane, who played right half during most of the football season.

About 20 games have been arranged for the season, of which 12 are intercollegiate contests. This year Whitman will meet every important college in the northwest, except O. A. C. The Aberdeen and Spokane clubs of the Pacific Northwestern league will both work out in Walla Walla during the month of April, and Whitman is to play a series with these teams.

No Use to Die.

"I have found out that there is no use to die of lung trouble as long as you can get Dr. King's New Discovery," says Mrs. J. P. White, of Rushboro, Pa. "I would not be alive today only for that wonderful medicine. It loosens up a cough quicker than anything else, and cures lung disease even after the case is pronounced hopeless." This most reliable remedy for coughs and colds, la grippe, asthma, bronchitis and hoarseness, is sold under guarantee at the Newell drug store, 50c and \$1. Trial bottle free.

Grafting

is a dead issue. So says Dr. H. C. Parker of the Indiana School of Medicine, in "Collier's Weekly." We concur with him. Blue Mountain Cough Syrup will cure your cough, not as pleasant to take as some others, but it contains the ingredients that will positively and absolutely cure that cough.

Cured Hemorrhages of the Lungs.
"Several years since my lungs were so badly affected that I had many hemorrhages," writes A. M. Ake, of Wood, Ind. "I took treatment with several physicians without any benefit. I then started to take Foley's Honey and Tar, and my lungs are now as sound as a bell. I recommend it in advanced stages of lung trouble." Foley's Honey and Tar stops the cough and heals the lungs, and prevents serious results from a cold. Refuse substitutes. A. M. Ake
