Charles B. Hanford, Who Appears as Antony in "Antony and Cleopatra," at the Steward Monday Night, March 23

DRAMATICAL TREAT OF THE SEASON IN HANFORD

The enrapturing delights with which Egypt's beautiful and historic queen charmed the senses of the great Roman general, Marc Antony, are depicted with vivid magnificence in the great spectacular revival of "Antony and Cleopatra," which will be seen at Steward's opera house on Monday, March 23. Especial lighting effects peculiar to this representation are under the personal supervision of an expert electrician who travels with the company. The scenery was painted by M. Armbruster, whose attainments in reproducing the scenes of the classic drama have earned him the sobriquet

"The Grand Old Man of Scenery." A company of dancers under the leadership of a graceful and skilled premiere, will interpret the rhythmic figures which lent seductive charm to the revelries with which the Egyptian queen was wont to entertain her Roman suitor. The music will be under the direction of a capable orchestral leader and a competent chorus master. The cast will include Mr. Hanford as Antony; Miss Alice Wilson as Cleopatra, and a number of the players who have been so enthusiastically received during a number of seasons with the Hanford company.

Notes About Hanford.

"The public wants novelty," a manager once said to Charles B. Hanford; "and Shakespeare isn't a novelty."

"Good Shakespeare is," replied the tragedian, who then turned like Hamlet again to his book.

Miss Marie Drofnah, whose illness early in the season prevented her from joining Charles B. Hanford's company, is now entirely recovered. She has employed her leisure in reading a vast number of manuscripts—plays that have been submitted for production by the Hanford company.

Several of the players who have won favorable consideration in the production of "Antony and Cleopatra" have already been re-engaged for next season by Charles B. Hanford, permanency, as nearly as possible in a

theatrical organization being his fixed policy.

The Topeka Capital says: Hanford was good, as he always is. He took the part well of the bold and fearless Roman warrior—the Antony who conquered peoples and nations and never met defeat until he met Cleopatra. His voice and physique sustain him well in playing the part and he makes an impressive appearance in the armor of a Roman warrior. Mr. Hanford probably is Topeka's favorite Shakespearean star.

At the Electric.

The patrons of the Electric theater are not slow to note the many new features which Manager Sherwood has arranged for them. Each night a score are turned away on account of the lack of seating capacity. The en-

tainment is considerably longer than before the light famine and the addition of another illustrated song makes the program just that much stronger. Special features will be added to the Saturday and Wednesday matinees. Some special presents will be offered the ladies and little girls next Wednesday.

ORINO Laxative Fruit Syrup

Pleasant to take and does not gripe or nauseate
Cures Chronic Constipation, Stomach and Liver Trouble

Stimulation Without Irritation.
ORINO Laxative Fruit Syrup is a new laxative syrup combined with the delicious flavor of fruits, and is very pleasant to take. It will not gripe or sicken. It is much more pleasant and effective than Pills, Tablets and Saline Waters, as it does not derange the Stomach, or irritate the Kidneys, Liver or Bowels.

Constipation.
ORINO Laxative Fruit Syrup will positively cure chronic constipation as it restores the natural action of the intestinal tract. Ordinary cathartics may give temporary relief but the stomach is upset and the bowels are irritated without any permanent benefit having been derived.

The condition of the patient remains unchanged. The Stomach, Liver and Bowels have not been stimulated and in a few days a stronger purgative may have to be taken. This is why Pills and Aperient Waters never give permanent relief. Their violent action results in an unnatural movement of the bowels and it is necessary to keep taking them indefinitely.

Why ORINO is different.
ORINO Laxative Fruit Syrup is the only preparation that really acts upon all of the digestive organs. Other preparations act upon the lower bowel only and do not touch the Liver. It can very readily be seen that a preparation that does not act upon all of the digestive organs

can not cure Chronic Constipation, Torpid Liver, Indigestion, Sour Stomach, etc.

For Biliousness and Sick Headache.

Take ORINO Laxative Fruit Syrup. It sweetens the stomach, aids digestion and acts as a gentle stimulant on the liver and bowels without irritating these organs.

Clears the Complexion.

ORINO Laxative Fruit Syrup stimulates the liver and thoroughly cleanses the system and clears the complexion of pimples and blotches. It is the best laxative for women and children as it is mild and pleasant, and does not gripe or sicken. Refuse substitutes.

OUR GUARANTEE Take ORINO Laxative Fruit Syrup and if you are not satisfied your money will be refunded.
