LA GRANDE'S LEADING DRY GOODS AND CLOTHING EMPORIUM

THE TEMPLE OF ECONOMY

The Spring season is on in earnest and everybody now knows who has the goods, who makes the low prices. OUR GRAND OPENING of last week attracted hundreds of people—in fact we think every lady in La Grande and many from the country attended the opening. All praised the splendid showings of merchandise and many made large purchases but there are still lots of good things left.

ENTERPRISE WINS OUT

By a margin of two points Enterprise won the first game of the two-game series at the Noyes rink last evening, the final score being 11 to 9.

Excitement was intense throughout, especially so from the sixth inning on, when the home team began to gain slowly and take down the lead that Enterprise had gained in the second inning.

Cryshaw went to bat for La Grande and got to first, second and third on errors. Crowe walked and Williams landed a hit, scoring Cryshaw. Thus La Grande placed its first tally on the sheet.

Savage came up from Enterprise, but was easy meat for Crowe. Pace went to first on an error and Bilyeu walked. A sneak-in and an error allowed the two tallies for this inning, Crowe ending the session by striking out one, two.

Ferguson walked in the first of the second half and Kooser got first on errors. Button slammed a two-bagger, scoring Ferguson. Button came in and Cryshaw got first again on errors. A hit by Crowe scored him. Then the scoring ceased as far as La Grande was concerned, but Enterprise brought in five. After that it was one, two, three order generally, for both teams, until later in the game, when La Grande pulled up, being two points behind, and two men on bases in the ninth. The timely hit failed to materialize.

The limited crowd enjoyed every minute of play. The snap and vim necessary in the game kept attention at a high pitch.

La Grande players surprised themselves as much as they did the audience. With a whole winter's practice to their credit, the visitors, with the exception of one inning, showed no better team work than the home players, who have been organized within the month. The Enterprise catcher is easily the star of the visitors. His work is spectacular and constant.

Crowe struck out men right and left, but Cryshaw, handicapped with a severely bruised finger, sometimes dropped the final strike, allowing men

to gain first. Only four hits were made off Crowe. These, however, were long ones, and the infield had but few attempts. Williams was favored the most at first and got everything that came his way. The game tonight promises to be a hummer. There will be a slight change in the line-up and with the experience gained last evening, the home team will be in position to forestall any duplication of the second inning last evening.

The score by innings—
 1 2 3 4 5 6 7 8 9
 La Grande .. 1 3 1 0 0 0 2 1 2—9
 Enterprise .. 2 5 0 1 1 1 0 1 *—11

HARD LUCK FOR OFFICERS

Two army officers on their way to Spokane, were left in Baker City by yesterday morning's westbound, and to get to their destination in time, ordered a special train from La Grande. An engine and caboose was sent to Baker City, but it had bad luck coming back and did not reach La Grande until 5:20 last evening. A better engine took them on to Pendleton last evening, where they could make connection with a Spokane train.

The men were evidently pressed for time, and seemed nothing daunted by their frequent mishaps. The engine sent from La Grande to Baker went dead and the Telocaset helper had to bring them to this point.

Campbell Funeral Held.
 The funeral of the late George Campbell took place this afternoon from the family residence, Rev. W. H. Gibson of the Baptist church, officiating. The interment followed in the Masonic cemetery. Mr. Campbell was born in Kentucky in 1836 and in the fifties moved to Missouri. In 1863 he came west and settled near Weston, Umatilla county. For several years he was in the freighting business and made frequent trips through this val-

VEHRS HOME IS ROBBED

Thieves have been working about the valley, apparently centering their attack about the Herman Vehrs farm. A valuable gold watch and chain, belonging to Mrs. Vehrs, have disappeared, a watch chain from another neighbor, and a cake from the pantry, of still another.

These petty thefts, and some of them have been costly to the losers have been going on for some time but today the city police were notified and the pawnshops will be put on the alert for the appearance of the Vehrs jewelry, which is plainly marked with initials of the family and date of purchase, etc.

It is believed the thief, if he attempts to sell or dispose of the jewelry in this city will be apprehended. The watch is a valuable one and the chain is new. The losers are willing to give a liberal reward to the person who can restore the stolen property.

ley to the mines. He, with his family came to this city about 15 years ago. He leaves a wife and three children: Harry, aged 18; Walter, 16, and Maggie, 10. Since youth he had been a faithful member of the Baptist church, and J. T. Lieuallen of Adams, George Lieuallen and Mrs. Cayton of Athena, and Mrs. W. S. Perry of Pendleton are here to attend the funeral. J. T. Lieuallen is a brother-in-law of E. G. Adcock.

Both Pay Fine.
 The consummation of the agitation for Sunday closing came Friday when Rev. Moore of the Presbyterian church and W. L. Witherell, who runs a place on Main street, engaged in an altercation in which several others became involved. As a result, these two participants and E. C. Berry were brought before the recorder's court, charged with disturbing the peace and dignity of the city. All three pleaded not guilty and the cases were set for Saturday afternoon, but before that time both Moore and Witherell changed their plea and paid the usual fine and the charge against Berry was withdrawn. It is understood that Rev. Moore's congregation has upheld his action.—Wallowa Sun.

ADDRESS FORESTERS.

Grand Secretary Dalgity Visits to Local Court.

Last evening Court Maid Marion No. 22 received an official visit from Grand Secretary A. E. Dalgity of Portland. The official addressed the members and a number of invited guests, taking for his subject, "The History and Purposes of Forestry." His address was listened to with appreciative attention and all present certainly heard that which not only instructed them regarding their order, and gave them a better idea of the purposes of Forestry, but also would tend to make them better citizens. A special musical program had been prepared for the occasion, which added much to the enjoyment of the occasion. The banquet committee sure established a new record and future committees will do well to meet the standard set for them last evening. Grand Secretary Dalgity left this morning for points west, where he will visit other courts.

At the Electric.

Tonight the regular change of program will take place, and Manager Sherwood announces that some of the numbers are exceptionally strong. There will be sufficient opportunity to laugh and the pictorial dramas are better than the average. See regular space for change of program.
