WHAT POLITICS PARTIES DO

(Continued from page 1.)

The 13 districts of Indiana have already been instructed for Fairbanks. On Thursday the convention will nominate candidates for governor and other state offices.

The political warfare will have its inception in New York state on Tuesday when all parties will hold primaries. Delegates will be elected to the assembly district conventions. The latter will choose delegates to the state conventions, which in turn will choose delegations to the national conventions. Principal interest attaches to New York city, where the republican factions headed by Herbert Parsons and ex-Governor Odell are engaged in a struggle for control of the primaries. Tammany will control the democratic primaries in the metropolis. Hearst's Independence league will also hold primaries on the same date.

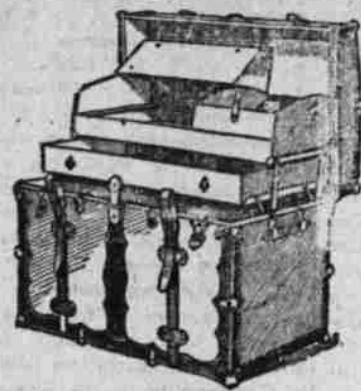

Republican conventions will be held in the First and Fourth districts of Illinois on Monday, and in the Fourteenth district of Illinois on Tuesday. All of these delegations will probably be pledged to Speaker Cannon. The republican voters of Porto Rico will also hold their convention next week, to the probable advantage of Secretary Taft. Republican primaries will be held in Delaware on Saturday next, when delegates will be elected to the state convention, to be held in Dover on Tuesday, April 7.

One of the most important political banquets of the coming week will be that of the Missouri Young Men's Democratic club, to be held in Convention hall, Kansas City, on Monday night. William J. Bryan will be the chief guest of honor and will deliver an address. Several other prominent democrats have been invited and it is proposed to make the affair the largest of its kind ever held in the country. All of the speeches will be along national lines. From Kansas City Mr. Bryan will go to Lincoln, where on Tuesday he will be the host at a banquet to which all the democratic and populist editors of Nebraska have been invited.

Secretary Taft's most important engagement of the week is at Columbus, O., where on Friday he will speak at the annual banquet of the Columbus Board of Trade. It is believed that he will take advantage of the occasion to make some important announcements on national issues.

News Writers to Meet.

East St. Louis, Ill., March 28.—Governor Charles Deneen, Congressman W. B. McKinley and other well known men are expected to deliver addresses tonight at the banquet and meeting of the Southern Illinois Newspaper Correspondents' association.

A Heavy Load to Carry.

Along with dyspepsia comes nervousness and general ill-health. Why? Because a disordered stomach does not permit the food to be properly digested, and its products assimilated by the system. The blood is charged with poisons which come from this disordered digestion, and in turn the nerves are not fed on good, red blood, and we see symptoms of nervousness, sleeplessness and general breakdown. It is not hard work, nor over physical exertion that does it, but poor stomach work. With poor, thin blood the body is not protected against the attack of germs of grip, bronchitis and consumption. Fortify the body at once with Dr. Pierce's Golden Medical Discovery—a rare combination of native medicinal roots without a particle of alcohol or dangerous habit-forming drugs.

A little book of extracts, from prominent medical authorities extolling every ingredient contained in Dr. Pierce's Golden Medical Discovery will be mailed free to any address on request by postal card or letter. Address Dr. R. V. Pierce, Buffalo, N. Y.

Many years of active practice convinced Dr. Pierce of the value of many native roots as medicinal agents and he went to great expense, both in time and in money, to perfect his own peculiar processes for rendering them both efficient and safe for tonic, alterative and purifying agents.

The enormous popularity of "Golden Medical Discovery" is due both to its scientific compounding and to the actual medicinal value of its ingredients. The publication of the names of the ingredients on the wrapper of every bottle sold, gives full assurance of its non-alcoholic character and removes all objection to the use of an unknown or secret remedy. It is not a patent medicine nor a secret one either. This fact puts it in a class all by itself, bearing as it does upon every bottle wrapper the Badge of Honesty, in the full list of its ingredients.

THE LA GRANDE INVESTMENT CO.

HEACOCK'S OLD STAND Mr. Heacock will be on hand to do all repairing

An evaporating plant and cannery should be one of the industries that should be established in this city during the present year. It would not require a very strenuous effort on the part of an active commercial body to secure such a plant. This would provide a market for quite a portion of the fruit that would otherwise be marketable. It would also furnish another payroll and would be a dividend producer upon the capital invested.

There is a splendid opening here in La Grande for a fruit house. This is the fruit center of the county. We have the fruit, the volume of which is increasing each year. All we need is the firm with the necessary capital and experience. This field will undoubtedly be occupied before it is time to move the next crop.

The registration in Union county predicts a lively primary election. This is as it should be. The voters are the ones who make the tickets under the primary system.
