PORTLAND NEWS LETTER

Portland, March 20.—(Special correspondence.)—The Oregon advertising fever is both contagious and infectious, and the remarkable part of the present epidemic is that those towns which have heretofore been normal now have the highest temperature.

Hon. Paul Morton, formerly secretary of the navy in President Roosevelt's cabinet, but now president of the Equitable Assurance society, is being entertained in Portland today. Mr. Morton is a western man and is making an extended tour of the Pacific coast with a view to investments.

People from all parts of Oregon should make it a point while in Portland to visit the Forestry building and familiarize themselves with the timber wealth of this state. That building now in charge of M. W. Gorman as superintendent, and he thoroughly knows the forests of the northwest and the value of every tree. C. C. Michener, field secretary of the Y. M. C. A., of America, recently visited the Forestry building and remarked that it was the most satisfying and interesting building on this continent and that his hour with Mr. Gorman was the most instructive he had experienced in many years.

McMinnville heads the list for a Yamhill county advertising fund of \$10,000 with a \$4000 subscription. M. O. Lowndale is president of the Yamhill county Development league and has the backing of the people of his county. That famous old county intends to be heard from.

Educators throughout the United States are asking for pictures illustrating the industrial, agricultural and horticultural progress of Oregon, and they are being supplied.

The Portland Commercial club's correspondence includes a great many inquiries from people who want to work on farms. These inquiries and the facts concerning them, are being sent to all of the commercial bodies composing the Oregon Development league.

The Corvallis Commercial club, which claims with perfect confidence that its quarters are the handsomest of any western city or town of 5000 population, will have a house-warming on April 10. Delegations will be present from many points in Oregon and the occasion will be an interesting one.

Klamath Falls and Astoria are the latest Oregon cities that have determined to have floats in the grade parade, "The Spirit of the Golden West," which takes place in Portland on Tuesday evening, June 2, of Rose festival week.

PAMPHLETS FOR VOTERS.

La Grande Registered Voters Receive Copy of New Measures.

Every registered voter in La Grande, and Union county, for that matter, has received a copy of the measures referred to the people by the legislative assembly, referendum ordered by petition of the people, and proposed by initiative petition, which will be submitted to the people in June. The press copies have reached here some time ago but it was only yesterday and Saturday that the registered voters of La Grande received their copies. These pamphlets are worthy of attention and careful study.

Best Healer in the World.
Rev. F. Starbird of East Raymond, Maine, says: "I have used Bucklen's Arnica Salve for several years, on my old army wound, and other obstinate sores, and find it the best healer in the world. I use it, too, with great success in my veterinary business." Price 25c at Newlin's drug store.

To the Public.
Notice is hereby given that the undersigned is now prepared to furnish pure, fresh milk from young Jersey cows.

WANTED—Five to seven room house, furnished. Address X, Observer.

Cured Hemorrhages of the Lungs.
"Several years since my lungs were so badly affected that I had many hemorrhages," writes A. M. Ake, of Wood, Ind. "I took treatment with several physicians without any benefit. I then started to take Foley's Honey and Tar, and my lungs are now as sound as a bullet. I recommend it in advanced stages of lung trouble." Foley's Honey and Tar stops the cough and heals the lungs, and prevents serious results from a cold. Refuse substitutes. A. T. Hill.

To Enforce Ordinances.
Notice is hereby given that on and after April 1, 1906, I will strictly enforce the ordinance compelling owners of dogs to procure tags; also the ordinance prohibiting the keeping of swine within the city limits.
