J. W. Knowles of La Grande, was well known in Wallowa county, by reputation at least, before he became a candidate for the republican nomination for circuit judge. In the last month he has become well known personally and the more the people here see of him the better they like him. His reputation as a lawyer is of the highest order and he would, if elected, adorn the bench with dignity, impartiality and wisdom. Those who know him best say if he were judge men would still be proud to claim to be his friends, but not one could boast of being an intimate.—Enterprise News-Record.

BIG HORSE SHOW.

Watch for further announcement.

SPREADING AFFIDAVITS.

Abo Ruef Affidavit Distributed in Portland This Week.

Portland, Ore., April 6.—Hundreds of copies of the affidavit of Abraham

Ruef, attacking the graft prosecution and protecting the "higher ups" concerned in the San Francisco graft prosecution, which was filed March 20, have been mailed into the Pacific

northwest and will be read by hundreds in Oregon this week. The reason why the Ruef press bureau should get so active outside of California is not known at present.

THE DEMAND FOR PROPERTY IN

RIVERSIDE ADDITION

NEAR THE BIG SAW MILL

has become so great, that it has been decided to advance the price on lots in that addition.

By comparing the prices at which lots in Riverside Addition have been selling, with the prices of similar property in other sections of the city, it will be found that lots in Riverside Addition have been selling at too low a figure.

Before advancing the price, however, it has been deemed only fair to give due warning to those who have been contemplating buying, but who have been delaying from time to time, therefore

TAKE NOTICE

that during the remainder of this month (April), prices will remain the same as heretofore, but on the first day of May there will be a general advance of 10 per cent in prices, therefore all those who wish to take advantage of this advance must buy this month.

Special inducements will be given those who build this season houses costing \$1000.00 or more.
