Peter Frey, of Woodruff, Pa., writes: "After doctoring for two years with the best physicians in Waynesburg, and still getting worse, the doctors advised me if I had any business to attend to I had better attend to it at once, as I could not possibly live another month, as there was no cure for me."

ATHLETIC GOODS STORED

All paraphernalia and gymnasium equipment that has graced the Commercial club gymnasium, has been turned over to a special committee appointed from members of the club board.

An invoice of the material on hand discloses that there is but little to be stored. However, what there is will be a nucleus for the equipment of a gymnasium when the new club is organized.

Now that the Commercial club is soon to be reorganized along different lines—perhaps commercially, pure and simply—the younger element has to accept conditions as they are, and organize themselves into a strong athletic body.

COLONIST RUSH LATER.

A. D. Charlton of N. P. Says Immigration Will Increase.

"While travel to the northwest under the colonist rates has been lighter than usual up to the present, I look for a big increase during the latter part of this month," said A. D. Charlton, assistant general passenger agent of the Northern Pacific, who is in the city from Portland, according to the Spokesman-Review of Tuesday.

"The general depression of business which set in last fall has had the effect of reducing the volume of early colonist travel. Many people, no doubt, who would be glad to come west have been delayed on account of inability to dispose of their property."

News of Snake Road. Positive information has been received in Baker that work on the Snake River railroad will be begun at a very early date.
