Central Church of Christ.

On account of our joining in the special union meetings, we will have only Sunday morning preaching, April 12 and 19, and no preaching April 26, May 3 and 10. There will be no break in the Bible school, but it will be held on time each Sunday. It is necessary for us to do some special work which cannot well be postponed, hence all members are earnestly requested to be present from 10 to 12 next Sunday, and April 19. Matters of great interest will be presented next Sunday at 11 a. m. Each partner in the work should be present. Months ago we invited the Northeastern Oregon Missionary convention to meet with us. The executive committee set May 5 to 7 as the time. I have been unable to arrange another date as the program was prepared and speakers engaged before we joined the union work. We shall gladly unite in the great campaign for soul-saving and while our convention will no doubt receive less attention because of the meetings, we shall blame no one. I explained the situation to the other ministers when I agreed to enter the union meetings, and this is now published, that no one may misunderstand us. We stand for a great rally for souls that will mean great things for La Grande. Respectfully,
O. H. KING.
