HUGHES MEN GIVEN A JOLT

CONVENTION WILL ENDORSE HIM, HOWEVER.

Caucus of Anti-Hughes Delegates to Empire State Convention Decides to Fight Selection of Instructed Hughes Delegates to the National Convention—Executive's Friends Confident of Victory, Notwithstanding Slight Jolt.

New York, April 11.—Early indications following the convening of the New York republican convention in Carnegie hall today, pointed to a serious hitch in the program of the followers of Hughes to have the delegates to the national convention in Chicago pledged to vote for the nomination of the Empire state's executive. At a caucus of delegates last night it was decided to vote against any resolution endorsing the governor for nomination.

This action, however, was merely formal, states William Ward, national committeeman, and no fight is to be made in the convention.

The Hughes delegates still declare they will secure Hughes' endorsement.

The Hughes slate for delegates at large to the national committee are Seth Low, Stewart L. Woodruff, Frank Black and Jacob G. Schurman.

Lock Horns With John Bull.

London, April 11.—President Castro of Venezuela is in danger of having Great Britain upon his shoulders as well as the United States. All diplomatic relations between the two countries may be severed as a result of Castro's reprisals on the British match and salt concessions. The London Daily Graphic today outlines such a policy in a leading editorial.

Republican Conventions.
Portland, Ore., April 11.—The State central committee called three republican conventions yesterday to meet in Portland on May 14. They are the first congressional district convention, the second congressional district convention, and the state convention to choose delegates at large for the Chicago convention.

COMMIT BOLD ROBBERY.

Fifty Thousand in Jewelry Stolen in San Francisco.

San Francisco, April 11.—Diamonds to the value of \$50,000 were stolen from the jewelry store of T. L. Undy last night as a result of probably the most daring robbery ever committed on the Pacific coast. After boring a hole through an adjoining wall, the burglars entered the store, smashed the combination lock and escaped with a tray of valuables.

The men worked so quietly that the robbery was not discovered until 5:30 this morning, when an open door in a store adjoining the jewelry store was noticed. Men had previously tried to gain entrance from a clothing store in the rear of the jewelry store, but encountered water pipes and abandoned the job at that point.

Britt Loses in the Sixth.

San Francisco, April 11.—In Cofreth's Colma arena this afternoon Jimmy Britt and Packer McFarland will try to decide who is the best lightweight boxer in the world, drawing the color line. Both men have trained faithfully. The youngster from Chicago is supremely confident of victory and he figures that he can prove himself Britt's master within 15 rounds. Britt is saying nothing, but he is betting his own money that he wins. Ten to 8, with McFarland the favorite, is Britt's odds.

Britt's seconds threw up the sponge in a terrifically fast bout. McFarland wins.

FULTON'S SPEECH TO START EARLY SAY MILLIONS MISAPPROPRIATED

WILL RETURN TO PORTLAND AFTER SPEAKING MONDAY.

Wires Instructions to Notify the People That He Will Commence Speaking at 7 O'clock in Order That He May Return on the 9:55 Train—Presumed That He Returns to Meet and Answer the Attacks of F. J. Heney.

United States Senator C. W. Fulton has wired at the conclusion of his address in this city Monday night, that he will return to Portland.

This is taken by those who have read the telegram, to mean that he proposes to return to Portland for the purpose of answering whatever Francis J. Heney may have to say in his address in Portland this evening, and at Salem Sunday night.

In order that Senator Fulton may keep his appointment in La Grande and return on the evening train, he will commence speaking in the opera house promptly at 7 o'clock.

Sell Ohio Building.

Columbus, O., April 11.—Reception of sealed bids for the purchase of the Ohio building and site at the Jamestown exposition closed at noon today with the Ohio state commission. The Ohio building is a permanent colonial structure and will probably be used by the purchaser as a club house or a summer cottage hotel.

Miss Loeb to Wed.

Rome, April 11.—Miss Annette Loeb, daughter of Mr. and Mrs. Chas. Loeb of New York, and Signor Arturo Luzzato, a wealthy Italian politician, will be married in Rome tomorrow. Signor Luzzato is a member of the Italian parliament and is prominent in affairs of state.

REPRESENTATIVE LILLEY STARTLES THE HOUSE.

Avowing That One Hundred Millions Were Misappropriated in the Maintaining of Navy Yards and Supplies for Same, Representative Lilley Asks That Many Be Abandoned—Mare Island Navy Yard Among Those Whose Discontinuance is Desired.

Washington, D. C., April 11.—Representative George L. Lilley of Connecticut, today startled the house of representatives by making the charge that \$100,000,000 of the people's money has been misappropriated in providing navy yards and stations with supplies.

He introduced a resolution calling on President Roosevelt to appoint a committee to report on the advisability of abandoning Kletten, Me.; Port Royal, Charleston, S. C.; Kew West, Fla.; New Orleans, La., and Mare Island, Cal., with suggestion that no member of congress be on the committee in which these stations or yards are located. He pointed out that the abandonment of Mare Island had been recommended 10 years ago.

Braves to Be in Denver.

Denver, Col., April 11.—Arrangements have been made by Secretary Thomas F. Smith of Tammany Hall, for the entertainment of 800 New York braves, who will be here during the democratic national convention. It is understood that the Tammany braves will come with their war paint and will seek to get the scalp of a certain famous Nebraska gentleman. Big Chief Murphy is believed to be opposed to the nomination of Bryan and the arrangements for the big New York delegation are looked upon as significant. Special excursions will be run from Denver to Yellowstone Park and the Pacific coast after the convention, for the benefit of the Tammany contingent. The best quarters available have been secured for the New York crowd, which will evidently not come to the mile-high town penniless.

Bryan to Visit Jersey.

Trenton, N. J., April 11.—Prominent democrats of New Jersey, including many members of the state legislature, will join in greeting William Jennings Bryan upon his arrival here Monday. He will be given a public reception, and Governor Fort, the republican chief executive of New Jersey, will receive him at the state capitol. The democratic league has made elaborate preparations for the entertainment of the Nebraskan and his New Jersey admirers will attempt to dissipate the idea that Mr. Bryan is unpopular among the democrats of this state.

Have Track of Murderers.

Seattle, Wash., April 11.—Three men, suspected of being members of the gang of five who fatally wounded Marshal Harry Miller of Kent, Thursday night, are thought to be headed for Seattle. The night marshal at Renton accosted the men at the railroad yards and asked them what they were doing. "Just keep your mouth shut or you'll get what the other fellow got," remarked one of them, and the trio started off down the tracks toward Black River Junction. The sheriff was notified and a posse is now in pursuit. Marshal Kent died last night.

Harriman Charter Ends.

New York, April 11.—The charter of E. H. Harriman's \$30,000,000 mail steamship company expires tomorrow, but will be renewed for a period of 20 years. The company has secured the renewal of its charter from the New York state legislature every score of years since 1848.

Pennsylvania Primary.

Philadelphia, Pa., April 11.—Primaries to decide the nominees of the various parties for congress, the state legislature, judges and national and state convention delegates are being held today throughout Pennsylvania.

Massacre in Nicaragua.
Kingston, Jamaica, April 11.—Kingston mail reports say that wholesale executions have taken place in Nicaragua as a result of political troubles. Between 70 and 80 people have been shot, it is said, at Zelaya's orders.

TRIGGS MARRIED AGAIN.

Professor Who Favors Free Love Again in Matrimony.

Canton, O., April 11.—Prof. Oscar Lovell Triggs, who won considerable notoriety while a member of the faculty of the University of Chicago, for saying that John D. Rockefeller was a greater man than Shakespeare, was married to Miss Addie Beall Cox, 26 years old, at Turlock, Cal. This is of peculiar interest because Triggs was known as an advocate of free love.

Miss Beall's parents live at Canton. Last August Triggs was divorced from his wife and at that time his declarations in favor of free love were made. The new Mrs. Triggs was a pupil of Triggs while a student at Chicago, and since then has been interested in settlement work in the east.

Delaware Democrats.

Wilmington, Del., April 11.—Democratic primaries are being held today throughout Delaware, to select delegates to the democratic state convention ext Tuesday. This is an unusually early date for a democratic state convention, but it was selected with the object of making more effective, if possible, the endorsement which the convention is expected to give Judge George Gray for the democratic nomination for president of the United States.

LITTLE HOPE FOR PORTLAND

FLEET WILL NOT LIKELY VISIT OREGON'S METROPOLIS.

Because the Management of the Rose Carnival in Portland Did Not Extend an Invitation to the Navy Department the Atlantic Fleet Will Ignore Portland When it Comes to the Northwest Pacific Coast—Officials Say "Too Late."

Portland, April 11.—This city stands an excellent chance of being entirely ignored by the Atlantic fleet when it visits the north Pacific coast. Relying upon the fact that Portland is one of the largest ports on the coast the Rose carnival committee failed to send the navy department a special invitation asking that vessels be sent here, and as a result the program of the fleet's visit is made up without Portland on the itinerary.

Today Rear Admiral Pillsbury said: "No invitation has come to us asking that any ships be sent to Portland during the Rose carnival or at any time. In fact, we have no official knowledge when the Rose carnival is to be held. Unless Portland advises us shortly, we may find it impossible to comply with any request for ships."

Soccer Season Closes.

New York, April 11.—Today will mark the closing of the intercollegiate soccer season, the final games today being between Harvard and Yale at Cambridge, and Pennsylvania and Cornell at Ithaca.

IT IS THOUGHT TO BE THE HAPPINESS AND GLORY of every citizen to so live and act that his fellow citizens will esteem him for his goodness, his kindness, and his usefulness. The principles of good citizenship should constitute the code of rules for every kind of business whether public or private. This applies particularly to the drug business, because, owing to the limited knowledge of the qualities of drugs by the general public, it follows that the reliability of the druggist is the chief guarantee of good service.
