YOUR WORK

Is what we want. We don't call on you one week for it, and tell you the next we cannot do it for you. We want it now, and all the time. We do not think it necessary at this time to say anything about the class of work we turn out.

The fact that we have been in the LAUNDRY business for twelve years in La Grande we think sufficient evidence that our work is satisfactory. Try it.

REMODEL SECOND FLOOR.

Commence Monday to Remodel the Second Floor of Elks Building.

Not later than Monday morning carpenters will begin the rearrangement of the upstairs of the lately purchased Elks' building, according to plans that have been prepared by a committee. It means a general change of arrangements on the second floor. The main reading room is to remain as it is. The second room to the left of the corridor will be made smaller for an ante room, and the two card rooms which adjoin it, will be made one and converted into a lodge room. Folding doors will make it possible to have the ante room made a part of the lodge room. On the right of the corridor will be several changes also. The ladies' parlor will remain untouched, but the rooms which have been devoted to living purposes for the assistant secretary, will be made into a large dining room with several ante rooms for kitchen purposes. The downstairs or first floor will be supplied with a new floor, and the west room utilized.

GRADING BALL PARK.

Two Scrapers Have About Completed Work of Smoothing Park.

Two large scrapers hauled by enough teams to make the grading rapid, were busy yesterday on the athletic park smoothing down the rough places and putting the grounds in satisfactory condition. Much of the work has been done and from present indications the field will be very suitable for a diamond. The soil is soft dirt but it will be firmly packed by rollers and when completed will be as good a baseball field as could be desired. The fence is practically built. The construction of the grandstand is now under way, in that lumber is being cut to the proper shape and lengths.

Arrange Series With La Grande.

Final arrangements for a series of ball games with La Grande have been perfected between Manager Lorimer of the Pendleton team, and the La Grande management. On Saturday and Sunday next, La Grande will play here and return games will be given La Grande on the following Wednesday and Thursday.

Jack O'Brien, famous as the advocate of the four-town league which was not formed, is managing the La Grande team and is said to have an entirely professional nine. Consequently a high grade of baseball is expected from them for the opening game of the season here.

A week from next Sunday Pendleton will go to Walla Walla for the opening game with the Garden City players.—Pendleton East Oregonian.

Local Option in Danville.
Danville, Va., April 15.—A local option election is in progress in Danville today, after a campaign which has been warmly contested by both the liquor interests and the Anti-Saloon league. Both sides are claiming a victory and the result will probably be very close. Danville has about 20 saloons, all of which will have to quit business if the "drys" are successful in today's election. The liquor men are now subjected to a high license and rigid restrictions, being required to close at 7 o'clock and no screens being allowed.

Cured Hemorrhage of the Lungs.

"Several years since my lungs were so badly affected that I had many hemorrhages," writes A. M. Ake, of Wood, Ind. "I took treatment with several physicians without any benefit. I then started to take Foley's Honey and Tar, and my lungs are now as sound as a bullet. I recommend it in advanced stages of lung trouble." Foley's Honey and Tar stops the cough and heals the lungs, and prevents serious results from a cold. Refuse substitutes. A. T. HILL.
