The People's Store

OPERA HOUSE BLOCK LA GRANDE, OREGON

Today's market day and stock show clearly demonstrated that La Grande business men require no assistance from traveling fakirs to make a demonstration worthy of the attention of the residents of the valley. Farmers and townspeople alike thoroughly enjoyed today's festivities. The showing made was a credit to the promoters as well as the resources of the valley. We believe it a safe assertion that no other county in the state could upon such short notice produce such a splendid exhibition of fine stock.

ORINO Laxative Fruit Syrup

Pleasant to take and does not gripe or nauseate

Cures Chronic Constipation, Stomach and Liver Trouble

Stimulation Without Irritation.

ORINO Laxative Fruit Syrup is a new laxative syrup combined with the delicious flavor of fruits, and is very pleasant to take. It will not gripe or sicken. It is much more pleasant and effective than Pills, Tablets and Saline Waters, as it does not derange the Stomach, or irritate the Kidneys, Liver or Bowels.

Constipation.

ORINO Laxative Fruit Syrup will positively cure chronic constipation as it restores the natural action of the intestinal tract. Ordinary cathartics may give temporary relief but the stomach is upset and the bowels are irritated without any permanent benefit having been derived.

The condition of the patient remains unchanged. The Stomach, Liver and Bowels have not been stimulated and in a few days a stronger purgative may have to be taken. This is why Pills and Aperient Waters never give permanent relief. Their violent action results in an unnatural movement of the bowels and it is necessary to keep taking them indefinitely.

Why ORINO is different.

ORINO Laxative Fruit Syrup is the only preparation that really acts upon all of the digestive organs. Other preparations act upon the lower bowel only and do not touch the Liver. It can very readily be seen that a preparation that does not act upon all of the digestive organs

can not cure Chronic Constipation, Torpid Liver, Indigestion, Sour Stomach, etc.

For Billousness and Sick Headache.

Take ORINO Laxative Fruit Syrup. It sweetens the stomach, aids digestion and acts as a gentle stimulant on the liver and bowels without irritating these organs.

Clears the Complexion.

ORINO Laxative Fruit Syrup stimulates the liver and thoroughly cleanses the system and clears the complexion of pimples and blotches. It is the best laxative for women and children as it is mild and pleasant, and does not gripe or sicken. Refuse substitutes.

OUR GUARANTEE

Take ORINO Laxative Fruit Syrup and if you are not satisfied your money will be refunded.

CRAWFORD AND CHILDERS ARE IT

PRINCIPAL FIGHT IN DEMOCRATIC RANKS WARM.

Democratic Primaries Yesterday Full of Interest. Although All Speculation centered on the Sheriff and Circuit Judgeship Races--Childers Easy Winner, and Crawford is Nominated by Comfortable Margin--The Full Ticket.

- Democratic Nominees.
- District Judge--T. H. Crawford.
- Joint senator--Turner Oliver.
- Joint representative--W. W. White.
- Sheriff--F. P. Childers.
- Clerk--A. B. Heulat.
- Recorder--L. A. Gassett.
- Commissioner--Robt. Blumenstein.
- Assessor--T. A. Rinehart.
- School Superintendent--E. E. Bragg.
- Surveyor--Arthur Curtis.
- Coroner--Dr. M. K. Hall.

The democratic primaries yesterday were an interesting feature of the day's events. Two offices brought out much pre-supposition and prediction, and in those two races the democratic interest centered. They were the sheriff's race and the circuit judgeship. In the former contest, the present incumbent, F. P. Childers, was an easy winner over T. B. Johnson. The district judgeship was a closer race for a time, but before midnight Judge Crawford left the returns headquarters at The Observer office, fully satisfied that he had secured the nomination.

Several names appear on the nominated list that were written in at the polls. Among these are A. B. Heulat for county clerk, and M. K. Hall for coroner. These two men never entered the field, as candidates, but secured majorities that placed them on the democratic ticket at the coming June election.

Horse Market Good.

Mordo McDonald, the Walla Walla horse salesman, reports that business has been very active in his line the past season. He has recently placed several carloads of No. 1 horses. The sale of Shorthorns from his State Line farm, has also been good, he having disposed of everything but one roan and one white bull. He says people have a tendency to shy at the white fellow but, as is often the case, it is the best individual he has yet raised. --Rural Spirit.

A Twenty Year Sentence.

"I have just completed a 20-year sentence, imposed by Bucklen's Arnica Salve, which cured me of bleeding piles just 20 years ago," writes O. S. Woolver of Leitchville, N. Y. Bucklen's Arnica Salve heals the worst sores, boils, burns, wounds and cuts in the shortest time. 25c at Newlin's drug store.

SATURDAY ATTRACTIONS

The universal expressions of satisfaction at today's stock and market day have imbued local business men with a spirit of booz and early next week a meeting of business men will be called to formulate some plan which will mean an attraction of some sort each Saturday of the month, and a stock show and market day once every month. Today's event demonstrated what can be done in this line. For the regular Saturday events, some small feature will be worked out each day, and in addition a public band concert will be given every Saturday afternoon during the summer months. This will bring farmers to the city in much larger numbers and they will necessarily take on some of the thrift and boom which the city has.

BUST TOBACCO TRUST.

Enormously Wealthy Tobacco Firm is About to Be Dissolved. Richmond, Va., April 18.--Frightened by a mass of evidence gathered against it by the government officials, and rather than face a trial in New York before the United States circuit court, set on May 19, it is said that the American Tobacco company will dissolve. The dissolution of the \$350,000,000 company is practically admitted by the officials of the company today, who would not allow any names to be mentioned. This step is said to have been advised by the company's attorneys in Washington, who are of the opinion that the company will be liable, anyway, to forcible dissolution by the federal government under the Sherman anti-trust law.

A Thousand Dollars' Worth of Good. A. H. Thurman, a well known operator of Buffalo, O., writes: "I have been afflicted with kidney and bladder trouble for years, passing gravel and stones with excruciating pain. I got no relief from medicine until I began taking Foley's Kidney Cure, then the result was surprising. A few doses started the brick dust like fine stones and now I have no pain across my kidneys and I feel like a new man. It has done me \$1000 worth of good." A. T. Hill.
