### PRESENT "PASSION" PLAY.

Electric Theater Has Strong Card for the Week of the 27th.

The "Passion" play is coming to La Grande. For one solid week the Electric theater is going to present his masterpiece in the form of a reel that is 3054 feet long and requires a full hour and a quarter to be presented. Commencing on the 27th this big attraction is to be the sole feature of the Electric. Because it is so long nothing else will be given during that week. Everyone has heard of the "Passion" play and local theatergoers are promised something great. Due to the heavy expense of presenting this film, the admission for that week only will be 15 cents.

### "THE PIT" PRESENTED.

Mere Handful Hears Home Talents Talk From Behind Footlights.

"The Pit" was presented at the opera house Saturday night to a mere handful of people, but nevertheless the actors did the parts well. In the cast were five home-talents: Merrill Childers, John Davis, Thomas Bruce, Mose Harris and Miss Della Jackson. The promoters did their parts well and the home people were good in most instances as well.

### Elks' Benefit Friday.

Electric will do "Good Samaritan" stunt on Friday this week. The Electric theater will be turned over to the Elks on Friday and a matinee and the evening performances will go entirely to the Elks to help swell the building fund of that order. The Elks will have charge of everything and will pocket the receipts. Here is a chance for the citizens to help the Elks' building project.

## SPORTING

Cleanings From the Diamond and Track.

The La Grande baseball club has had its first try-out games and, although losers, local rooters are not disappointed greatly. Though perhaps not entirely sportsmanlike to bring up excuses for two straight defeats, still there are so many reasons why the locals should not have won that they are worthy of attention. The rains of last week prevented a single practice. That, in itself, is sufficient to defeat any aggregation. Manager O'Brien expected to find Beck at Pendleton, but was disappointed, and a general shaking up followed on the grounds. Infielders were lacking and outfielders were substituted.

Saturday's game was a 6 to 0 affair in favor of Pendleton. That game stiffened the soft muscles of the La Grande players to such an extent that the Sunday performance was anything but strong.

When the smoke had cleared away the Pendleton Pets had scored 14 to La Grande's 4.

Heslin started in to twirl for La Grande in the Sunday game, but following a mix-up with a Pendleton player in which both went to the ground and Heslin was severely choked and a riot narrowly averted, he was relegated to the bench and Hudson took the box.

The players returned last night.

The line-up for Saturday was as follows:

Pendleton	AB	R	PO	A	E
Conrad, c	3	1	14	3	1

### Training Hard.

A sadly stiffened aggregation trotted out on the new baseball park this afternoon to get in shape for the Thursday and Friday series with the Pendleton team here. The lessons learned yesterday will aid Manager O'Brien to arrange his players, and the work-out that they can get between now and Thursday will stand them well in hand. Commencing with tomorrow morning the squad will work out twice a day, and on Wednesday night several of the players now here will be given their return ticket. It is too early yet to say who will fail to make good, but the performance of Saturday and Sunday, and what the manager can learn this week, will give him time enough to make his wedding. The next series starts on Thursday, instead of Wednesday, as first arranged for.

### Team is Picked.

Some exciting races were seen at the fair grounds Saturday afternoon, when the track candidates were given their try-out for the team which will go to Walla Walla on April 29. The most exciting of the events was the 220 in which Bolton and Williamson ran a neck and neck race, both breasting the tape together. The fastest time was made in the quarter, when Earls tore off the 440 in 55 seconds, a very creditable performance. The winners Saturday were:  
50-yard dash—Williamson, first; Carpy, second; Hamilton, third.  
100-yard dash—Williamson, first; Bolton, second; Carpy, third.  
220-yard dash—Bolton and Williamson, tied for first; Hamilton, second.  
440-yard dash—Earls, first; Reynolds, second; Crawley, third.  
1 Mile run—Peare, first; Rice, second; Borders, third.  
High jump hurdles—Young, first; Lottes second; Dawson, third.  
Low hurdles—Williamson, first; Reynolds, second; Hamilton, third.  
To these winners will be added

those who won Friday night, namely, Meyers and Carpy.

### Summerville Victorious.

Summerville, April 20.—(Special.)—The baseball season was formally opened in this section of the valley yesterday when Summerville defeated Elgin in a fast game of 7 to 6. This was the first game for both teams and though one-sided, afforded a rattling game from a spectator's point of view.

### North Powder Takes One.

North Powder, April 20.—(Special.) North Powder tied its first scalp to its belt yesterday when the Haines team was taken in tow to the tune of 18 to 6. A large crowd witnessed the performance.

### Sophs Win.

Now that the try-outs for positions on the La Grande high school team are finished, the various classes of the school have figured out their respective standings. The sophomores are winners with freshmen second, and the juniors and seniors third and fourth, respectively.

### Boston Wins.

Boston, Mass., April 20.—The morning game in the American series resulted as follows: Philadelphia, 1; Boston, 8.

### Better Than Spanking.

Spanking does not cure children of bed-wetting. There is a constitutional cause for this trouble. Mrs. M. Summers, Box W, Notre Dame, Ind., will send free to any mother her successful instructions. Send no money, but write her today if your children trouble in this way. Don't blame the child, the chances are it can't help it. This treatment also cures adults and aged people troubled with urine difficulties by day or night.

## ASTER SERVICES OBSERVED

(Continued from page 1.)

most able sermon, in keeping with the spirit of the occasion.

### Catholic Church.

The Catholic church was most beautifully decorated with Easter lilies and other flowers. Special music added greatly to the impressiveness of the services. Rev. Father Whyte delivered a most touching sermon on the "Death and Resurrection of Christ." The attendance was large.

### Methodist Church, South.

The Sunday school in the morning had their most interesting exercises. The church was made pleasing and beautiful by the generous floral decorations. The church was filled with scholars and their parents, friends and members of the congregation.

### Baptist Church.

Easter services were unpretentious. Because of recent extra pressure no special program was attempted. The Sunday school was strong. The largest attendance for months. The pastor's sermon was on "Life's Tomorrow," made sure by the Resurrection. He dealt with the future life and how the present makes possible the future. Three truths were set forth. First, life has its tomorrow. Just as yesterday has its tomorrow, ushered in by the knell of the dying day, so we sweep through the portals of death into the golden days of hope. Second, life's tomorrow is the child of today. Just as yesterday makes possible today with its sunny springtime glories, so this life grants cast, color and condition to the life to come. "The tissues of the life to come, We weave with colors all our own; And in the field of destiny We reap what we have sown."

Third, we need, therefore, to put only the best things into our life. The sermon was followed by an impressively administered baptism.

### Two Good Ones.

There are two good features at the Electric this week. Manager Sherwood finds the week will open with two goods songs and a "Trip to the Moon" that is good. "Scullions Green" is also fine he says. See the house ad. for full program.
