Election in Louisiana.
Eaton Rouge, La., April 21.—A general election for state officers is in progress in Louisiana today. There is no opposition worthy of the name to the democratic state ticket, headed by Jared Y. Sanders for governor, who will succeed Governor Blanchard on May 18.

Chief interest attaches to the vote on constitutional amendments. These include three amendments designed for the regulation of railroads and corporations, and are as follows:

Authorizing the legislature to initiate legislation for the benefit of the railroad commission. Under the existing article of the constitution the legislature is powerless to act except upon the recommendation of the commission.

Subjecting transportation lines to fine for disobeying an order of the railroad commission, requiring them to enter the courts to suspend or penalize them at the rate of from \$10 to \$50 from date of the operation of the order if the judgment is against them, and giving the commission jurisdiction over the service of the telegraph and telephone companies.

Prohibiting federal, foreign and non-resident companies from doing business in Louisiana when they sue in federal courts or transfer suits from the state to the federal courts.

WEDNESDAY NIGHT.

Remember, Every Business Man and Property Owner Should Be Present.

Wednesday night a new commercial organization is to be organized for commercial purposes only. Every business man and property owner who has the best interest of the city at heart should see to it that he is present. We need more payrolls and this is the kind of organizations that secure them. That prince of boosters, with a record of success marked all over him, Tom Richardson of Portland, will be present to add enthusiasm to the occasion. There is nothing like successful co-operation and Tom Richardson can tell you all about it from personal experience. But then we do not have to go to Portland for this kind of information. We have plenty of experience right here at home. The business men are enthusiastic, the time is ripe for concerted action. Come out Wednesday night and help.

Death Was on His Heels.

Jesse P. Morris of Skippers, Va., had a colic call in the spring of 1905. He says: "An attack of pneumonia left me so weak and with such a fearful cough that my friends declared consumption had me, and death was on my heels. Then I was persuaded to try Dr. King's New Discovery. It helped me immediately, and after taking two and a half bottles I was a well man again. I found out that New Discovery is the best remedy for coughs and lung disease in all the world." Sold under guarantee at the Newlin drug store. 50c and \$1. Trial bottle free.
