A STRONG ATTRACTION

"Passion week" at the Electric promises to be the greatest attraction ever brought to this city in the theatrical line. Manager Sherwood who tonight opens the first performance of a solid week of the same program, states that the series of reels which combine to make a film considerably over 3000 feet in length, is something remarkable.

The presentation of this drawing card means the rendition of two strong musical numbers by C. P. Ferrin, the house soloist. The first song will be the "The New Born King." The second is that classic entitled "Holy City." Both are especially well adapted for Mr. Ferrin's voice.

The film itself is made up in four reels. The first is entitled, "The Life of Jesus Christ." Then follows the first named song. The second reel is "The Holy Family at Nazareth." This is followed after a short wait by "Christ Walking on the Water."

The last song in the attraction follows this reel, "Jesus Falls Under the Weight of the Cross," is the last of the set. Naturally, and needless to say, the entire set combines to make what is undoubtedly the strongest attraction that will be seen in a local show house for a long time.

The prices for the week are 15 cents. There will be a matinee on Wednesday at the special prices, no souvenirs being given away on that occasion. The Saturday matinee is 10 cents for children.

The Fruit Industry.

"About a year ago there were 25,000 acres of apples and pears in Jackson county alone," said Commissioner Carson. "This year 9000 more acres have been planted in apples and pears. About 65 per cent of the new acreage is in pears mostly of the Comice and Bartlett varieties. Douglas county is planting about 1000 acres of pears and apples this year. Prunes cover 2000 additional acres in that county. This makes, perhaps, 15,000 acres now set in prunes. In Josephine 500 acres of apples and pears have been planted, with about 600 acres of Concord grapes. Jackson county has had about 150 acres of new grape planting. The land is being cleared rapidly and next year there will be about 5000 acres of grapes, mostly Concord, planted in Josephine county alone."—Valley Record.

Death Was on His Heels.

Jesse P. Morris of Skippers, Va. had a colic call in the spring of 1906. He says: "An attack of pneumonia left me so weak and with such a fearful cough that my friends declared consumption had me, and death was on my heels. Then I was persuaded to try Dr. King's New Discovery. It helped me immediately, and after taking two and a half bottles I was a well man again. I found out that New Discovery is the best remedy for coughs and lung disease in all the world." Sold under guarantee at the Newlin drug store. 50c and \$1. Trial bottle free.
