BRICK IS CHEAPER

Brick building, at the present price of lumber, is cheaper as well as better. It has been demonstrated that my brick is superior to any made in Oregon. I can furnish common brick in any quantity. No order too large or too small to receive prompt attention. Correspondence with contractors and builders solicited. Estimates cheerfully furnished. Prices made known on application.

MANY GO TO MEET

Demonstrating the right spirit—confident of capturing several places in the tri-state track meet at Walla Walla—the La Grande high school track team left this morning for Walla Walla where, tomorrow afternoon, they enter the preliminaries for the finals on the afternoon following. It is impossible to predict what the outcome of the meet will be, but it is plainly evident that La Grande has never been in better shape to carry away a point here and a point there, with the result that the total will be larger than has ever been credited to the local school at that annual event. The races, sprints and distances will be taken care of by Williamson, Bol-

ton, Earls, Carpy and Peare, while Meyers will toss the weights and Young Juggle the pole vault and the hurdles.

The Island City team should walk away with from 10 to 12 points in the weights alone, and if Walters makes good in the dashes, he should get two seconds. In that event Island City will be well up to the front.

The Bear story sent out from Pendleton about Jay's illness will not materially effect that team's success. Jay is able to be out, although he has been ill, and should win his 15 or 18 points, even though he is handicapped with illness.

Baker City, the other eastern Oregon team which is to be in the meet is an unknown quantity and the preliminaries will be necessary to tell the story.

Rooms 4-5.

Orders solicited for ice cream. We deliver all orders in quantities of one gallon or more.

SECOND NIGHT OF THE PASSION PLAY IS EXCITING

Patrons of the Electric theater have learned that if they wish to see the first show they must be there on time. The "Passion" play is such a favorite that by the time the doors are open the crowd is sufficient to fill the seats. Remember, the bill will remain the same the rest of the week. If you have not seen the "Passion" play you should not allow this opportunity to pass. If you have seen other representations of the "Passion" play, see this one anyway. It will pay you for the time and expense.
