SOMETHING IN THE WIND.

There is an unrecurrent or unrest, of apprehension, rampant throughout the city. It is not a premonition of coming calamity, but one of coming prosperity, boom and vast expansion.

There is going to be something doing in this city, and that in the near future, is the prognostication made from all corners. It is safe to say that La Grande is on the verge of such a boom, industrial growth, expansion and financial strengthening as has never been dreamed of.

PLANT ASTER GERM.

In order to make the Aster show this fall a genuine success, and better than last year, it behooves flower lovers to commence a systematic cultivation of the aster plant.

THE VAN DUYN CO. La Grande, Ore. IN THE Masonic Bldg.

The citizens of La Grande should give the band their hearty support. A good band is an actual necessity to a live city or town. And the only way to have a band is to give it the support it is justly entitled to.

La Grande and Elgin again have a double train service. We truly hope that the double service will be maintained. Once before this service was given, but for some reason it was discontinued.

Little Fellow Fibbed. A little youngster who had played "hookey" from school recently and who was "touched up" a little by Professor Hockenberry, created considerable excitement this morning by a clever ruse which for a time had every color of stern reality.

ELECT NEXT WEEK.

Elect Chief Wednesday and Other Officers During Coming Week.

On next Wednesday evening the La Grande fire department will hold its annual election for fire chief. During the same week the three separate companies will elect their full slate of officers, each company holding its election on a separate evening.

HIGH COURT SITS MONDAY

May term of the Oregon supreme court which sits at Pendleton twice each year, convenes next Monday morning. In all there are 14 cases on the docket, from Baker, Malheur, Union, Umatilla, Grant and Wallowa counties.

Eliza Carroll, administratrix, appellant, Lomax & Anderson, attorneys, vs. the Grande Ronde Electric company, respondents, C. H. Crawford, W. M. Pierce, F. S. Ivanhoe, attorneys. Suit to recover damages for fatal injury caused by broken electric wire.

The more important of these two cases is, of course, the Carroll case, which has occupied the attention of the district and supreme courts for several terms.

THE DEMAND FOR PROPERTY IN RIVERSIDE ADDITION

NEAR THE BIG SAW MILL

has become so great, that it has been decided to advance the price on lots in the addition.

By comparing the prices at which lots in Riverside Addition have been selling, with the prices of similar property in other sections of the city, it will be found that lots in Riverside Addition have been selling at too low a figure.

Before advancing the price, however, it has been deemed only fair to give due warning to those who have been contemplating buying, but who have been delaying from time to time, therefore

TAKE NOTICE

that during the remainder of this month, (April) prices will remain the same as heretofore, but on the first day of May there will be a general advance of 10 per cent in prices, therefore all those who wish to take advantage of this advance must buy this month.

Special Inducements will be given those who build this season houses costing \$1000.00 or more.
