### LAST PERFORMANCE TONIGHT.

Theatergoers Have One Chance Left to See Great Attraction.

With tonight will close one of the strongest attractions of the theater season, the reproduction of the greatest spectacular play ever presented to the public. In addition to the usual program, Mr. Ferrin will sing the "Holy City" in German, which fact in itself will be a special attraction, as Mr. Ferrin's ability to sing in the different languages is well known, and Mr. Sherwood is fortunate in being able to secure such a capable man for the place.

Children have been waiting patiently for the matinee this afternoon when admission to the little folks was reduced to 10 cents.

The week's run of the "Passion" play has been a remarkable one. Manager Sherwood is highly pleased with the success of his venture. He anticipates that the musical features tonight will attract three packed houses.

### The Commercial Club.

There was a meeting of the members of the Commercial club at the city hall last Saturday night for the purpose of electing the following officers: President, L. J. Davis; vice-president, Thomas Brasher; secretary, T. T. Cook; treasurer, H. J. Lucas; directors, J. L. Jacobs, M. F. Davis, Thomas Brasher, George A. Seibird, W. B. Butterfield, George Baird.

Treasurer M. S. Levy presented a statement showing the total amount of money received to be \$380, with a balance on hand of \$273.20.—Union Republican.

### Building in Enterprise.

Local sawmill men predict that there will be more dwelling houses erected in Enterprise this season than during any previous year. They report that orders for building materials are already in for more stock than they have on hand.—Wallowa Chief-tain.

Fishing is reported good—by those who are lucky.—Haines Record.

As we go to press Friday morning E. L. McIntosh is reported in very bad condition, having been taken with mumps a short time ago. Dr. Hall of La Grande, was sent for Friday morning for consultation with local physicians in the case.—Union Republican.

One Cove grower announces that with the present outlook, he will need 50 cherry pickers this season. This does not look like the frost has killed any great portion of the crop.—Union Republican.

### Fruit and Frost.

Reports this week indicate great damage to fruit in southern Oregon by frost. East of here, in the Arkansas and Grand valleys, in Colorado, the damage is estimated at a million dollars. Other places report great damage also. Up to the time of going to press, Friday morning, the damage to fruit in the vicinity of Union, Cove and the Grande Ronde valley in general, amounts to nothing, and there is the finest fruit prospects for years. If we escape the frost, as now seems probable, the Grande Ronde will be indeed fortunate. It is all our way at present.—Union Republican.
