YOUR WORK

Is what we want. We don't call on you one week for it and tell you the next we cannot do it for you. We want it now, and all the time. We do not think it necessary at this time, to say anything about the class of work we turn out. The fact that we have been in the LAUNDRY business for twelve years in La Grande we think sufficient evidence that our work is satisfactory. Try it.

GOBBLERS HAVE TEAM

The Gobblers will dabble in baseball according to agreements reached at the regular meeting last evening. Therefore the Eagles will not be the only team in the lodge baseball arena of the city for the Gobblers include in their membership some of the fastest young ball tossers of the city. An exhaustive schedule which will no doubt include games with Summerville, Cove, Union, North Powder, the Eagles and several other teams, will be run through during the summer months. It is noted about that the Elks contemplate patching up an aggregation, and if they do, there will be a pretty little scramble for the championship of the city. A practice game with the high school the coming week will pave the way for the Gobblers' first appearance one week from tomorrow against the Eagles. This game is still in the tentative stage, however. Glen Caylor is playing manager, and A. W. Nelson, manager.
