SUNDAY BASEBALL SCORES.

Portland Breaks Even—Several Games in Union County Played.

Portland broke even with San Francisco yesterday when it won one and lost one of the double header. In the first game the score was, San Francisco, 1; Portland, 0. In the second it was, Portland, 4; San Francisco, 0. Oakland defeated Los Angeles, 6 to 3.

SACRED HEART WINS.

Baker City Juveniles Far Too Weak to Cope With Locals.

The Sacred Heart academy team of this city did themselves proud last Saturday afternoon when they scalped the visitors from Baker City to the tune of 16 to 2. The La Grande boys were in fine shape and the strength exhibited by them was much better than at the game with the same team in Baker City, when the first game of the series was played.

Locals Defeat North Powder.

North Powder, May 4.—(Special.)—A pick-up team from La Grande vanquished the local nine here yesterday by a score of 8 to 3. Cottner and Alstott formed a strong battery for the visiting team. In the fifth inning Eckhart took the box. La Grande's playing was plainly superior and the team won on good stick work and clever fielding. None of North Powder's runs were earned.

Pendleton, 2; Walla Walla, 1.

Pendleton, May 4.—(Special.)—The Pendleton Pets added another victory to their long string when they defeated the Walla Walla baseball team here yesterday afternoon in a score of 2 to 1.

AT THE PASTIME.

Comedy Galore at the Pastime Theater for Tomorrow's Change.

In their regular ad. in this issue the Pastime theater presents its change for tomorrow afternoon and until the Thursday change. "The Dream of the Rarebit Fiend" is one of the funniest things that comes in the film business and the managers say it is a strong feature. The song is that pathetic little story, "Down at the Baby Store." The films today are those which were started yesterday, and which are pronounced winners.

SEEDING NEARLY FINISHED.

Sugar Beet Fields About Completed in La Grande Districts.

The seeding of sugar beets in this valley is about over. The Amalgamated Sugar company has but a few acres yet to seed in the La Grande district, and the Union district is about as far advanced. The weather has been quite favorable for seeding this year, and with the full crews the company has been in position to keep at work, the work has been pushed with utmost speed.

Plans for Exhibit Hall.

"Booster" Zurcher of the Roseburg Commercial club, spent last Tuesday afternoon in drawing a sketch of the proposed exhibit building which the city is soon to erect on the Southern Pacific company's property near the depot. The structure, as planned, will be one story in height, the roof being constructed of wood, while the sides and ends will be of glass, thus giving all passengers who chance to pass through the city a view of the interior without leaving the cars. Just what sum of money the new departure will cost is unknown at this time, but from all indications \$500 will amply cover the amount expended. The sketch, as prepared by Mr. Zurcher, will be submitted to the trustees of the club at their next meeting, and it is quite probable that definite action will be taken, it being the wish of those interested in the project to have it reach a realization as soon as possible.—Umpqua Valley Record.

Express Robbers Captured.

Laredo, Texas, May 4.—The men who robbed the Wells-Fargo company of \$63,000, are in jail and have confessed. They are Luis Cutting, chief clerk in the general office of the express company here, and Rodolfo Alvarez. The express money was found in Cutting's room.

SPORTING BACK FROM TRIP EAST

Garrit Oldenberg, of the firm of Ramsey & Oldenberg, and one of the principal fruit and potato buyers of this city, returned Sunday morning from a business trip through Nebraska and Arkansas, which consumed six weeks. During his sojourn in the middle west, Mr. Oldenberg disposed of considerable Grande Ronde potato shipments, and reports his trip successful. The market, on the whole, is rather light in that section of the country.

In regard to prospective immigration, he found that many farmers in those states are willing to come west, but some of them are short of funds at this time of the year. Later in the season when they have disposed of their year's crops, they will have more money and Mr. Oldenberg predicts that the fall influx of homeseekers will equal that of last fall. Many of those who have come west this spring were seeking work rather than locations, and places to invest money.

GAIETY AT SANTA CRUZ.

Slight Accident to Two of the Battleships Occurred Today.

Santa Cruz, Cal., May 4.—Gay with colors and bubbling with enthusiasm Santa Cruz was astir early today to continue its program of entertaining the fleet. Beginning today with a barbecue to 300 of the officers at the Big Trees and ending tonight with two balls, the celebration promises to be a lively one.

The second squadron off Monterey will join the first here today and the torpedo boats will reach here about the same time.

This is the first time the entire Atlantic fleet has been together since it left Hampton Roads.

The collision between the Illinois and the Alabama yesterday was more serious than indicated. The port gangway of the former ship was carried away and other damage was done. The Illinois parted with her anchor in a gale that blew Saturday night, and drifted toward the Alabama, colliding with her before it was known that she was loose.
