YOUR WORK

Is what we want. We don't
call on you one week for it and
tell you the next we cannot do it for
you. We want it now, and all the time.
We do not think it necessary at this time to say
anything about the class of work we turn out.
The fact that we have been in the LAUN-
DRY business for twelve years in La
Grande we think sufficient evi-
dence that our work is sat-
isfactory. Try it.

BRICK IS CHEAPER

Brick building, at the present price of lumber, is
cheaper as well as better. It has been demonstrated
that my brick is superior to any made in Oregon. I
can furnish common brick in any quantity. No order
too large or too small to receive prompt attention.
Correspondence with contractors and builders solicited.
Estimates cheerfully furnished. Prices made known
on application.

WITHDRAWS FROM FIRM

T. H. Comte, agent of Ellers' piano
house of Portland, is in the city for
the purpose of closing out the stock
of the Davis-Jordan Music company.
Mr. Comte states that owing to the in-
tention of his firm to concentrate their
retail business in the larger centers
and confine their efforts to building
up a wholesale trade in the smaller
towns, they have withdrawn their in-
terests in the Davis-Jordan Music Co.,
and will retire from the local retail
field. Mr. Comte will take charge of
the entire stock and close the same
out irrespective of retail profit.

Norris & Rowe's Circus.
To parade or not to parade was a
question that the big circus magnates
pondered over with much deliberation
during the meeting of the advisory
and executive committees of the big
amusement combine. For the past
three years the Barnum & Bailey cir-
cus has not given a parade, but as that
show has become a possession of the
Ringling Bros., the question of change
of policy was brought up. For a time
it looked as though the circus parade
would be a thing of the past, but Nor-
ris and Rowe held out tenaciously for
the street pageant, and won out in
both committees, and as a result all of
the three big circuses will continue
the parades, but will put them on a
much more elaborate scale than heretofore.

By arrangement of territory the
Barnum & Bailey circus will be seen
in the New England states; the Ring-
ling Bros. in the middle west and
southern states, and the Greater Nor-
ris & Rowe circus, museum, menage-
rie, hippodrome and congress of na-
tions will be seen in all the cities west
of the Rockies. By this arrangement
the territory will be equally divided
among the big shows. The Barnum &
Bailey circus opened their season in
New York; the Ringling Bros. in Chi-
cago, and the Norris & Rowe circus in
San Francisco, where it exhibited for
30 days to 279,873 paid admissions,
which is more people than ever wit-
nessed a circus in that period in the
history of the west.

They will exhibit here Friday, May
15.

Loading With Machinery Again.
The loading apparatus which for the
past two weeks has been disabled at
the George Palmer Lumber company's
camps, went into service again today.
The work of loading all the logging
trains has been done by team, neces-
sarily slower and less efficient than
by steam power. The break occurred
some time ago.

Ten-Wheelers Coming.
Six new passenger engines have left
the Philadelphia works, destined to
La Grande. They are of the simple
10-wheeler type and are very satisfac-
tory for mountain service. Their
numbers run from 201 to 206, inclu-
sive.

Best for Women and Children.
On account of its mild action and
pleasant taste Orin's Laxative Fruit
Syrup is especially recommended for
women and children. It does not
nauseate or gripe like pills and or-
inary cathartics. Orin's Laxative
Fruit Syrup aids digestion and stimu-
lates the liver and bowels without ir-
ritating them. Remember the name
Orin and refuse substitutes. A. T.
