### Norris & Rowe.

Speaking of the Greater Norris & Rowe circus, the San Francisco Times of January 31 said:

"The Greater Norris & Rowe circus and hippodrome, which is now filling an extended engagement in this city at the auditorium, is without question the cleanest, most novel and altogether most praiseworthy circus that has visited this city in many years. The performers that Messrs. Norris & Rowe have assembled for this season, are the representative artists in their respective lines in their profession. There are more than 200 circus champions with the show. The costuming is rich and elaborate, and the horse display, or horse fair, is the finest exhibition of the kind ever seen in this city. The big spectacle, 'the congress of nations,' is a very beautiful creation."

The big show will exhibit in this city Friday, May 15, afternoon and night, and present every act and feature that they presented during the phenomenal run of 50 performances in San Francisco when 279,573 persons paid admissions to see it. A big street parade will be given at 10 o'clock on the morning of the exhibition. By arrangement with the amusement combine, the Norris & Rowe circus will be the only big show to exhibit in this city this season.

### Last State Hearing.

To represent the Walla Walla Commercial club at the hearing of the wheat freight rate case before the state railway commission in Ritzville Monday, V. H. Rogers will leave for that city today. The case has been pending for several months and its decision is deemed of much importance to the farmers of the state. The case has been brought against the railway companies by a prominent farmer residing near Ritzville, who claims that the present rates on wheat to tidewater are unreasonable. The hearing will probably take the greater part of two days. Many witnesses will be examined for both sides. The farmers will endeavor to show from actual instances the cost of marketing a crop of wheat and to prove that the present freight rates are unjust.—Walla Walla Union.
