ARE WE SAFE AND GOOD?

The seats are absolutely safe--cannot fall down, being held in place by the Curtis Truss system. No other circus so equipped.

The detectives with the show are from the R. J. Coach Secret Service Agency at Cleveland, Ohio.

Gambling and catch-penny schemes are not tolerated or permitted.

Pickpockets and sharpers are promptly spotted and locked up.

Special attention called to the Sells-Floto science of tent construction and erection to withstand rain and storm.

No privilege car. Only circus without it. The privilege (booze) car is a saloon on wheels, a gambling den that saps the pocketbooks of performers, canvasmen and other circus attaches, under cover to public and police, in violation of law and decency.

Kentucky Grand Army.
 Louisville, Ky., May 13.—Kentucky veterans who wore the blue during the civil war were present in large num-

bers when the annual encampment of the Kentucky department, Grand Army of the Republic, was opened in Louisville today. Entertainment ar-

rangements on an elaborate scale have been made by the three local posts. Thomas Sheehan is being boomed by Louisville veterans as the successor of State Commander L. V. Dodge of Berea, and indications point to his election.

matters of importance are before the brotherhood and will be fully threshed out at a business meeting. All parts of the country are well represented and the south has sent many strong delegations which will assist New Orleans in its fight to secure the 1910 convention for the Crescent City. The brotherhood has not held a convention in New Orleans since 1886.

the high elevations fevers prevail, while on the lower levels malaria is encountered to a greater or less extent, according to altitude. To overcome climate affections, lassitude, malaria, jaundice, biliousness, fever and ague, and general debility, the most effective remedy is Electric Bitters, the great alterative and blood purifier; the antidote for every form of bodily weakness, nervousness, and insomnia. HONOR FOR THE NEWSIES

H. H. Tammen, the fearless owner of the Denver Post and general manager of the Sells-Floto circus, is in the city. When a boy he sold newspapers on the streets. Remembering his early life, he will have the carrier boys of the La Grande papers as his guests of honor at his big circus Friday, May 29. Says he:

"I will go my length for the 'newsies.' Each one is an ace. I would rather be in their company than with presidents and kings."

Mr. Tammen further said: "The Sells-Floto show is known here. La Grande people will not be fooled. One of La Grande's prominent business men said to me: 'I make it a point to visit the show train and inspect the cars, inside and out, and look the outfit thoroughly over. If the cars need paint and are patched up; if the wagons are dirty and dingy; if the general appearance is scant and cheap it is safe to say the show is weak.'"

The date of the Sells-Floto circus is Friday, May 29.

Pacific Coast for Taft.
 San Francisco, May 13.—That the Pacific coast will be sold for Taft when the roll is called in the republican national convention is indicated by advices from Sacramento, Portland and Spokane, where the state conventions of California, Oregon and Washington, respectively, will be held tomorrow. Among California republicans the sentiment is overwhelmingly for Taft, and this favoritism is apparently shared by the other coast states.

Snow on the Mountains.
 Six inches of new snow has fallen on the summit of the Blue mountains at Kamela and Meacham during the past three days. This morning the new snow came down on the west slope of the mountains, and was plainly visible from this city.—Pendleton East Oregonian.
