ISLAND CITY NEWS ITEMS

GRAPHIC DESCRIPTION OF FLEET ENTRY.

Many From Island City Going to Baker City Track Meet—Miss Nell Grimmer Writes From 'Frisco to Fleet Week's Spectacular Sight—Final Examinations in Progress—Many Newsy Personal Items.

Island City, May 14.—(Special.)—E. E. Scott and A. Althe demonstrated the excellent work of their carpet cleaning machine in six different homes here the first of the week.

Edward Kiddle left Monday night for Umatilla, where he would assist in instituting a Masonic lodge. From there he went to Portland.

William Spence returned Saturday from Corvallis, where he has attended the Agricultural college the past year. He now has a position with the P. F. M. Co.

R. I. Long and wife, nee Louie Wade, of Enterprise, are welcome guests at the Merton Kiddle home.

Henry Spence left Wednesday morning for Wallowa, on a business trip.

Frank Alderman made a trip into Wallowa county the first of the week.

Albert Hunter and family and Miss Addie Hunter will attend the track meet at Baker City, and visit friends until Sunday evening.

Merton Kiddle and brother Frederick, will go to Baker City Saturday to witness the field meet at that place.

Miss Nell Grimmer who is attending Mills college, in California, in a letter home, describes their trip to see the fleet. She says in part:

"Our trip to see the fleet was simply grand. There were about 500 on the boat, and the inspiring music of the band made us all in touch with the occasion. We had a position right at the Golden Gate, on the line where the sea and bay join. We had the honor to be the first boat the fleet passed, and also the first one to salute the fleet. The day was perfect; the bay calm, and I cannot describe our feelings as we saw it come through the Golden Gate, but can only say the sight was one never to be forgotten and one we never expect to witness again."

School Notes.

The final examinations in the eighth grade are in progress today and tomorrow.

Prof. Gibbons will attend the "meet" at Baker City Saturday.

Kipling's Conversion.

Rudyard Kipling has been wont to stigmatize temperance people. He was not, and is not, a total abstainer. But he recently saw two young men get two young girls drunk and then lead them reeling down the street. That started Rudyard Kipling to thinking:

"Then, recanting previous opinions, I became a prohibitionist. Better is it that a man should go without his beer in public places, and content himself with swearing at the narrow-mindedness of the majority; better it is to poison the inside with very vile temperance drinks, and to buy lager furtively at back doors, than to bring temptation to the lips of young fools such as the four I had seen. I understand now why the preachers rage against drink. I have said: 'There is no harm in it, taken moderately,' and yet my own demand for beer helped directly to send these two girls reeling down the dark street to—God alone knows what end. If liquor is worth drinking, it is worth taking a little trouble to come at—such as a man will undergo to compass his own desires. It is not good that we should let it lie before the eyes of children, and I have been a fool in writing to the contrary."—Cleveland Universe.

The World's Best Climate is not entirely free from disease, on the high elevations fevers prevail, while on the lower levels malaria is encountered to a greater or less extent, according to altitude. To overcome climate affections, lassitude, malaria, jaundice, biliousness, fever and ague, and general debility, the most effective remedy is Electric Bitter, the great alterative and blood purifier; the antidote for every form of bodily weakness, nervousness, and insomnia. Sold under guarantee at the Newitz Drug Co.'s drug store. Price 30c.

THOSE WHO WILL ENTER

The Island City track team leaves tonight for Baker City, where it enters the Eastern Oregon Track and Field meet tomorrow afternoon. As usual, the team relies principally on Walters to place the team well along in the front rank of winners, but there are other men who will take places, if practice records are any criterion. Those who will go are: Harry Walters, E. Swebke, James Irwin, Marmon Stein, James Perry and Ralph Chenault.

Freewater Land Advances.

A seven-acre tract of land near Freewater, Ore., sold for \$7100 last week. The price of land in that vicinity is rapidly advancing. Improved methods of fruit raising and cheap transportation (electric line) have worked wonders for the Freewater-Milton district.
