Pendleton to Be Big Place. In speaking before the mass meeting at Pendleton Thursday evening, Dr. Withycombe, of the Oregon Agricultural college, said: "I have said that Pendleton might reach a population of 50,000, but I will go better than that and say that if this entire section, wheat land and irrigated tracts are settled with the number of people the land will sustain, this city should have a population of 100,000 people."

The foregoing statement was put forward in the effort to induce the big wheat farmers to sub-divide their large holdings, and allow of more intensive farming.

Better Than Spanking. Spanking does not cure children of bed-wetting. There is a constitutional cause for this trouble. Mrs. M. Summers, Box W, Notre Dame, Ind., will send free to any mother her successful instructions. Send no money, but write her today if your children trouble in this way. Don't blame the child, the chances are it can't help it. This treatment also cures adults and aged people troubled with urine difficulties by day or night.

General Election in Japan. Tokio, May 15.—Scenes of wild excitement such as have never before been witnessed in a Japanese political contest, attend the general election today. Appearances indicate a decided victory for the Liberal party, which means that Nippon will continue the policy of military and naval expansion which has marked the last few years.

Do Not Trifle With a Cold. Is good advice for men and women. It may be vital in the case of a child. Long experience has proven that there is nothing better for colds in children than Chamberlain's Cough Remedy. It is a favorite with many mothers and never disappoints them. It contains no opium or other narcotic and may be given with implicit confidence. NEWLIN DRUG CO.
