## UNION CROPS AT BIG FAIR

GRAIN EXHIBIT AND  
MANY OTHER FEATURES.

Union County is to be Properly Represented at the World's Fair. Oregon Commission of the Alaska-Yukon-Pacific Fair Asks for Co-operation From Court and Citizens.

Union county's resources are to be extolled in picture, exhibits and literature at the World's fair in Seattle, in 1909. County Judge Henry has received a communication from the Oregon commission of the Alaska-Yukon-Pacific exposition, of which W. T. Wright, of Union, is a member, setting forth what the commission desires from this county, and what the county court can do to put this community before the thousands and thousands of eyes at the coming fair. The letter received by the county court is self-explanatory, and it is useless to say that the court will take prompt action to comply with the request:

Portland, Ore., May 15, 1908.  
Dear Sir: The Oregon commission to the Alaska-Yukon-Pacific exposition is glad to inform you that the Oregon building, now under construction at Seattle, will be completed in due time for the coming exposition, and will be the largest and most complete state building on the grounds.

We propose to make a collective exhibit of the state's resources in this building, and it is of the utmost importance that we have a thorough and attractive exhibit from every county.

You can readily see that we must have your hearty co-operation in this matter, and that the gathering of an exhibit must commence at once. We will have to use the crops raised this year, as the exposition opens the first of June, 1909, too early for next year's crop. Your grasses will soon be ready for harvest and it is important that you gather them at the proper time. If they are over-ripe they will not do for exhibition purposes; hence you see the necessity of acting promptly. We will visit your county some time in June or July and will be glad to assist you in the work, though it will be necessary for you to begin collecting your exhibit before we see you.

The expense to your county in collecting such an exhibit will not be large. Get a live man to take hold of the work and push it, bearing in mind that it is quality, not quantity, that is wanted. After you have gathered your exhibit we will transport it to Seattle, install and maintain it without further expense to your county; we will also place an attendant in charge and will keep in close touch with you during the fair, so that your county will get all the benefit possible in the way of advertising, etc.

The commission is also having printed a 96-page booklet on the resources of Oregon which will be distributed during the exposition. Two pages of this booklet will be devoted to each county. We also intend to show by moving pictures the farms, orchards, livestock, timber, mountains, streams, and everything of interest in each county.

We must have your help and co-operation in the gathering of your exhibit. If we were compelled to buy these exhibits the state would have to double its present appropriation, but with your assistance we hope to carry out present plans without asking for any further appropriation.

Trusting to receive an early reply saying you are with us in the work, and thanking you in advance for giving this your prompt attention, we are Yours very truly,

W. H. WEHRUNG,  
President.

### The World's Best Climate

is not entirely free from disease, on the high elevations fevers prevail, while on the lower levels malaria is encountered to a greater or less extent, according to altitude. To overcome climate affections, lassitude, malaria, jaundice, biliousness, fever and ague, and general debility, the most effective remedy is Electric Bitters, the great alterative and blood purifier; the antidote for every form of bodily weakness, nervousness, and insomnia.
