YOUR WORK

Is what we want. We don't call on you one week for it and tell you the next we cannot do it for you. We want it now, and all the time. We do not think it necessary at this time to say anything about the class of work we turn out. The fact that we have been in the LAUNDRY business for twelve years in La Grande we think sufficient evidence that our work is satisfactory. Try it.

FATHERS EAT WITH LADDIES

The firemen's toothsome spread at the Central hose house last evening was attended with all the dignities that the sober heads of the city council could give it. Prior to sitting down to the almost groaning boards, the department members extended an invitation to Mayor Hall and his body of law-makers, to join in the "sit down." Gladly enough the invitation was accepted and the result was that the feed was one of the most enjoyable yet held.

It has been justly said that the La Grande fire department is the best volunteer organization in the west, but along with that distinction the body carries still another—one that appeals to the palate. Baked salmon that oozed with butter, was the mainstay in the meat course. The other viands are too numerous to mention.

Saloon Fight in Pilot Rock.
An anti-saloon league of 100 members, composed of the substantial farmers, sheepmen and cattlemen of the Pilot Rock district, has just been organized and a vigorous effort will be made in the coming election to abolish the saloons of Pilot Rock, says the Pendleton Tribune.

A meeting at which the organization was effected this week was attended by practically all the farmers and stockmen of that entire section of the county and the movement is determined and widespread.

A large fund has been raised for the purpose of scattering local option literature and hiring lecturers and a vigorous campaign will be conducted during the next two weeks.

The saloons are active also in protecting their interests and one of the hottest local option campaigns in the county will be fought in the Pilot Rock precinct. The business men are divided on the subject, while the country people are practically unanimous in favor of the "dry" town. The contest will be watched with interest throughout the county.
