Hood River County.

This bill is submitted under the initiative for the following, among other reasons:

A county is a public corporation and it is apparent that section 2 of article XI, of the constitution of Oregon as amended, reserves to the people the right to create a county by initiative vote.

There is no general law for the creation of counties now, and no one knows when, if ever, there will be one. The facts as to area, population and assessed valuation show that we are able to maintain a county government. Out of a population of about 7500 the desire of a county for the Hood River county is earnest and unanimous with the exception of a small fraction of one per cent. We are assured by leading citizens of The Dalles, Dufur and other portions of Wasco county that they have no objections to the creation of Hood River county as proposed in this bill. More than 400 residents of The Dalles and Dufur have signed the petitions asking that this bill be submitted to a vote at the June election, though 45 names from Dufur were received too late to be filed with the secretary of state.

The people of the Hood River county therefore ask favorable consideration of the voters of the state upon this bill, for these, among other reasons:

Because the new county will be a great benefit to the people residing therein and will facilitate the transaction of their county business.

Because as the law stands a county cannot be created by the legislature; and, finally,

Because the people of The Dalles and the balance of Wasco county are willing that Hood River county may be created as provided in this bill.

The assessed valuation in the proposed Hood River county in 1903 was \$908,568; in 1906 was \$1,168,670, showing a gain in valuation from 1903 to 1906 of \$710,102, or about 78 per cent. The valuation in 1907 was \$2,762,250; a gain over 1906 of \$1,143,580, or about 79 per cent, showing the proportionate increase in one year from 1906 to 1907 to be almost as great as that in three years from 1903 to 1906.

The proposed Hood River county has a population of about 7500; an area of about 500 square miles; and 20 school houses, seven of which are graded schools having from two to eight rooms each and with a \$30,000 high school under construction.

There will be left in Wasco county, after Hood River county is created, an area of 1646 square miles, a population of 11,500; and a valuation of \$5,457,720, thus leaving it among the largest and strongest counties of the state.

Catholic Revivals Ended Last Evening After Successful Week.

The Catholic mission in progress at the Catholic church under the leadership of Fathers McDonald and Wagner of Portland, and the Rev. The Postland priests are both learned men and their discourses were always extremely interesting. The meetings have been a success from every standpoint.
