GETTING A HOME EDUCATION.

The Columbia (Mo.) Herald gives the following entertaining statistics on home education. This little item should carry the University of Oregon appropriation. The Herald says:

"How much does a Missouri boy cost? Fathers and guardians with boys to bring up estimate that \$3000 will rear to manhood the average Missouri boy, will send him seven months in the year for eight years to the district school, four years to high school and four years to college or university.

This amount will cover his food, clothing, books and stationery. It will even permit a margin for "tom-foolness," as one father picturesquely styles amusements.

The cost of the state is, on the average, \$750 for each boy. Of this amount \$180 is for the elementary school, \$180 for the high school and \$100 a year for four years at the university. The state pays \$7.50 and the parent pays \$2240, and the net result is one Missouri boy, educated in Missouri schools for life."

It is truly something to educate a boy at home, as the Herald says, to give him an Oregon training, an Oregon spirit, and Oregon-made citizenship.

Home pride and patriotism should cause Oregonians to enthusiastically support their state university. In the knowledge that it will put the Oregon brand on the minds and characters of young men and women!

FOR COUNTY TREASURER.

The taxpayers of Union county in the past have reason to be congratulated upon their choice of a man to care for the money. And again this same man who in the past has so efficiently watched over their interests is again to be treasurer of Union county. For many moons John Frawley has been the caretaker of the county funds and at no time has ever been unfaithful to his trust. Again the republican party takes pleasure in placing him upon its ticket, fully believing that his record in the past will be sufficient recommendation for the future.

FOR CIRCUIT JUDGE.

In placing J. W. Knowles in nomination for the office of circuit judge, the republican party has made a wise choice. Mr. Knowles has been a resident of this district a sufficient length of time to make him properly acquainted with the conditions to enable him to administer justice to all parts of the district. He is a firm believer in the enforcement of all laws, and his ability as an exponent of the law is too well established to need comment. The Observer takes pleasure in giving him its support as it believes that his administration will be a creditable one.

FOR REPRESENTATIVE.

The republican candidate for representative needs no introduction to the voters of Union county. For the past quarter of a century he has been a resident business man of this county. His reputation as a conservative business man is such that no one questions but that if R. F. Richardson has the ability and the staying qualities to properly represent Union county. The voters of this county can make no mistake in casting their ballot for R. F. Richardson, the republican candidate for legislative representative.

FOR JUSTICE OF THE PEACE.

Angus Stewart, the republican candidate for Justice of the Peace for La Grande Justice of the peace and constable district, is a man of ability and sterling worth. He has been a resident of La Grande a number of years and is a graduate of the Ann Arbor law school. He is in every way thoroughly able to take care of the office with credit to himself, the party and the taxpayers.

BAKER CITY NOT HERE UNTILL SATURDAY

PENDLETON TAKES THE THIRD WITH WALLA WALLA.

Baker City Will Not Open Until Saturday Afternoon in La Grande—Fast Game at Pendleton Yesterday Afternoon.

Standing of the Clubs.

Table with columns: Played, Won, Lost, P. C.
La Grande 4 4 0 1000
Pendleton 3 2 1 666
Walla Walls 3 1 2 333
Baker City 4 0 4 000

Because the management of the Baker City club team is not in position to come here tomorrow to open the baseball season in La Grande on proper schedule, it has been found necessary to postpone the opening until next Saturday afternoon. The series will continue until Tuesday, giving the locals time to go to Walla Walls to open with the third team in the percentage column.

Pendleton Takes Third Game.

Pendleton, May 27.—(Special).—The third game in the Walla Walls-Pendleton series on the latter's grounds, went to Pendleton yesterday by a score of 4 to 0. The game was a fast snappy exhibition, and the best of the series thus far.

Shifting in Positions.

The daily see-saw and shifting of the clubs has started in earnest. Because Pendleton took the third yesterday it steps up a peg and drops Walla Walls a notch, so there is now a well defined line of demarcation between all the teams. La Grande is still alone at the top of the column.
