on the building and hurry. Remember, what you are most wanted by all.

The Mammoth Stock of THE PEOPLES STORE is going to be thrown open to the public at unheard of prices for the benefit of La Grande's Churches. Never before in the history of Oregon has a sacrifice been made on a gigantic stock for the benefit and advancement of Christianity. FIVE PER CENT OF THE GROSS SALES during the sales period of ten days to be divided among the churches of La Grande according to the people's instructions. Every Church in La Grande will be represented. With every purchase you will receive a slip for the amount of said purchase on which you desire to be credited with the amount. In the front part of the store will be located the sealed ballot box, into which you are requested to drop the slip. The day following the closing day of the sale, the ballot box will be opened by a committee composed of one member from each church in La Grande. The duty of said committee will be to determine the amount credited to each church. If there should be found in the ballot box any slips on which there is no church credit, then it will be the duty of the committee to see that the amount of such slips is divided equally among the several churches.

Be on Hand at the Opening

Don't confound this with the so-called Special or Clearance Sale, where only a few items of old merchandise are offered at bargain prices, as it is nothing of the kind; but a Genuine Slaughter of the Entire Stock. Everything will be marked in plain figures and at such ridiculously low prices as to cause wonder and comment for many moons to come.
