### BOY IS AN ARTIST.

Young Fellow Taken to Pendleton is Clever Forger and Grafter.

Sheriff T. J. Taylor of Umatilla county, came over from Pendleton last evening, and returned on the train from the east, taking with him the lad who was captured two days ago on a warrant sworn out by Pendleton parties. Mettle, a mere lad, operated successfully in Pendleton several days ago. The Pendleton East Oregonian says of his clever forging there:

The circumstances surrounding the bogus work done by young Mettle are so peculiar that he is almost entitled to rank as the smoothest forger that ever operated in the city.

Yesterday afternoon the young man appeared at the First National bank with a check for \$170, drawn in favor of himself and signed by E. B. Gamble. The check was taken by J. T. Lambirth, acting teller, and the signature was so close to that of the real Mr. Gamble, who has an account in the bank, that the forgery was not detected at once.

Throws off Suspicion.

But before the check was taken the young man was questioned closely and he made a showing that disarmed the bank people of any suspicion.

A little later in the afternoon Mettle passed another check for \$150 upon E. Moses, of the Workmen's clothing store. The check given him was signed with the name of E. B. Gamble. However, before giving the young man the money on the check, Mr. Moses took the check to the bank for verification. It was then discovered that he was a swindler and the officers were notified of the case.

Leaves for the East.

In the meantime Mettle had purchased a ticket for Detroit and left on train No. 2 last evening. Messages were then hastily sent out from the sheriff's office asking the officers at La Grande to apprehend Mettle, and the conductor of No. 2 was also notified. On the arrival of the train in La Grande last evening the lad was arrested without difficulty.

Many at Hermiston.

With six coaches filled with representative local people and the band, Pendleton went down to see the formal opening of the East Umatilla project Wednesday and to celebrate with

the west end over that event, were the Pendleton East Oregonian. It was an enthusiastic crowd that gathered at the depot at 8 o'clock this morning. It comprised the leading business and professional men of the city, numerous ladies and many candidates. Aside from the local office seekers, a conspicuous figure was that of H. M. Calk, candidate for senator. With the bright, weather prevailing this morning everything indicated a pleasant day, and it is doubtful if conditions could have been better for the opening of the project.

Several Get Ax.

The wedding proposition has begun in the baseball team and already Manager Hoster has released three men. The men to get the ax are Heslin, Hoffman and Robinson. It seems that Robinson has not been hitting the ball very well this year and made a couple of costly errors in the last series of games between Baker and La Grande. Hoffman had been playing out of his position and couldn't make good in the outfield, while Heslin was not up to the standard. The team will not leave for La Grande Thursday as was expected owing to the fact that the management is waiting for some new men. They have entered into communication with several men but just who will arrive is not definitely known, but those who come are no doubt fast men. Many of the fans think that the team will win its share of the games.

Perhaps the worst weakness is in the pitching department of the game for all the men that pitched were hit often and hard. Then, outside of Wilson, the outfielders have been weak. The guards are being put in good condition and many games will be seen during the summer.
