CURES BLOOD POISON SAFE HOME TREATMENT

In S. S. S. nature has provided a certain, safe, home cure for Contagions Blood Polson. It is a medicine made entirely of roots and herbs of recognized blood-purifying value, and is the one medicine which is able to get down to the root of the trouble and remove every particle of the virus, and at the same time benefit and build up the system and general health. No harmful effects ever follow its use, as is so often the case when strong mineral medicines are used. As soon as the system gets under the influence of S. S. S the disease begins to improve, and when the remedy has thoroughly parified the blood and driven out every trace of the poison, no signs of the trouble are ever seen again. The general manifestations of Contagions Blood Poison such as falling hair, copper-colored spots, ulcerated mouth and Blood Poison such as falling hair, copper-colored spots, ulcerated mouth and throat, sores and ulcers, etc., are merely symptoms of the poisoned condition of the blood, and in most cases respond quickly to local treatment, while S. It is a complete guide for treating the trouble, containing instructions for the different stages of the disease, and also valuable suggestions about the local treatment, that will be most helpful in effecting a cure. We will be glad to send a copy of this book, free of charge, to any who desire it, and it special medical advice is wanted our physicians will take pleasure in supplying it without cost to the patient.
