

Natural Ice is The Best

THINGS ARTIFICIAL ARE AT BEST BUT A DECEPTIVE IMITATION OF THINGS NATURAL.

Can an impure fountain send forth pure water? Our ice is not dependent upon a brewery or saloon for its supply. It is furnished by the God of Nature, Who sends forth the sparkling streams from the mountain side. It is taken from the river above the duck ponds and sawmills, and is the PUREST ICE ON THIS MARKET.

THIS IS SHIFTING DAY.

Inland Empire League Teams Palling Up Stakes for General Fight.

The Baker City team left last night for its home stamping ground and will there hook onto Walla Walla tomorrow afternoon for a four-game series with the second-raters in the Inland Empire league.

Tomorrow morning the La Grande Babes hies themselves to the Wheat town to take a fall out of the Pets at Pendleton for four times.

Considerable effort is being made to get up a good crowd to attend the Sunday game at Pendleton, and if sufficient people can be listed, reduced rates will be procured. La Grande has a game or two coming to even up matters in practice games before the league was organized, and though Pendleton is playing good ball, La Grande is no more like the team of that day than a little bit. If she comes back with two of the four she will have done nobly.

CONCERT TOMORROW NIGHT.

Members of Local Elks' Lodge. The original Tennessee Jubilee singers will arrive in La Grande tomorrow night to conduct an entertainment at the Elks' hall for the benefit of the Elks' building fund. Local members of the Elks' lodge are out today disposing of seats and are meeting with considerable success. The troupe comes here with the highest recommendations and, in fact, are known here to be of the first class. The concert will start promptly at 8:30.

Following is what one man says about it: "The Tennessee Jubilee singers are all right. They give a highly entertaining program. The audience that heard them at the First Christian church was greatly delighted with their rendition of plantation songs and special numbers. They make you laugh till you cry and they make you cry till you laugh."—E. S. Muckley.

FOLEY'S KIDNEY CURE

Cures Kidney and Bladder Diseases in Every Form—Many People Have Kidney Trouble and Do Not Know It.

HOW TO FIND OUT.

It is the function of the kidneys to filter and purify the blood. If they are constantly passing through them.

When the kidneys are affected, the other organs are affected. Later and you may have symptoms of heart trouble, stomach and liver trouble, and other ailments, which are all owing to the kidneys being weak and out of order.

If you are sick Foley's Kidney Cure will strengthen and build up the worn out tissues of the kidneys so they will act properly and the symptoms of weakness, heart, stomach and liver trouble will disappear and you will be restored to perfect health.

How is Tell if You Have Kidney Trouble.

You can easily determine if your kidneys are out of order by setting aside for 14 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased and Foley's Kidney Cure should be taken at once. Foley's Kidney Cure is pleasant to take and acts directly upon the parts affected and you begin to feel better at once.

It corrects slight disorders in a few days and it has cured many obstinate cases after other treatment had failed.

Doctors Said He Would Not Live.

Peter Fry, of Woodruff, Pa., writes: "After doctoring for two years with the best physicians in Waynesburg, and still getting worse, the doctors advised me if I had any business to attend to I had better attend to it at once, as I would not possibly live another month, as there was no cure for me. Foley's Kidney Cure was recommended to me by a friend, and I immediately sent my son to the store for it and after taking three bottles I began to get better and continued to improve until I was entirely well."
