NOTED SINGERS AND ORGANIST TO BE HEARD.

June 27 Set for Opening of New Organ at Tabernacle—Mrs. Edwards Will Again Appear Before La Grande Audience—Prof. McClelland, Great Organist, Will Give Elaborate Recital—Mr. Ferrin Will Sing.

La Grande can now boast of one of the best pipe organs in the state of Oregon as the magnificent tabernacle organ, which arrived yesterday and is now being installed by the experts of the Kimball Pipe Organ company of Chicago, and to make the opening of this organ the greatest musical festival ever given in Oregon, the committee in charge has secured the services of Professor McClelland, one of the best pipe organists now living in the United States, and the only Lizzie Thomas Edward, who so electrified the lovers of music in La Grande during the tabernacle dedication services. They both will positively be here to open the new organ on the night of June 27. Mr. Ferrin, of P. Ferrin, will sing in duet with Mrs. Edward, which alone will be an event seldom enjoyed by the music lovers of La Grande. But this is not all. The tabernacle chorus has been greatly enlarged and has been in special training for some time. They will sing two numbers on the program, and also the L. D. S. band, now nearly doubled in numbers, and most efficient through long and careful training, will render a short program during the seating of the hall. Other features of the program now under preparation by the committee, will be announced later.
