

Natural Ice is The Best

THINGS ARTIFICIAL ARE AT BEST BUT A DECEPTIVE IMITATION OF THINGS NATURAL.

Can an impure fountain send forth pure water? Our ice is not dependent upon a brewery or saloon for its supply. It is furnished by the God of Nature, Who sends forth the sparkling streams from the mountain side. It is taken from the river above the duck ponds and sawmills, and is the PUREST ICE ON THIS MARKET.

MODOC INDIANS TO BE RETURNED

OF THE ORIGINAL WARRIORS, ONLY A FEW REMAIN.

After Thirty Years of Homesickness, 17 of the Warriors of the Modoc Tribe Will Be Returned to Southern Oregon—Were Sent to Indian Territory in 1874—Were 217 of Them Then—Descendants and All Number But 49.

The Medford Tribune says: After 30 years' absence, the small remnant of Captain Jack's band of Modoc Indians at the Quappaw agency in Oklahoma, are to be removed to the Klamath reservation in Oregon, where their friends and relatives live at the present time.

This is the unanimous recommendation of the senate committee on Indian affairs in connection with the removal of restrictions on the land of all Indians at the Quappaw agency.

The Modocs remaining in Oklahoma are but a mere handful of the 217 lusty braves who were taken from the Klamath reservation to the Indian territory in 1874—right after the Modoc war. Ever since the removal of these Indians in the southwest they have been longing for their Oregon home.

Of the 217 only 49 remain and 19 of these have found their way back to Oregon, leaving 29. As a matter of fact only 17 of the Indians originally moved are living. There is a pathetic story of genuine homesickness which has resulted in the depletion of the band.

The Modocs are thrifty and have not spent their time in idleness; they are extraordinary good workers and for many years have maintained themselves with their own industry.

It is thought by the more progressive mixed bloods at the reservation in Oregon that the coming of the remnant of Captain Jack's once warlike band will have a splendid effect on the entire tribe of the North Pacific Coast.

Entertains Teachers.

O. C. Flesman, superintendent of Central Bible school, assisted by his good wife, entertained 11 of the teachers last evening. Matters of interest to the school were discussed, each teacher participating. After an hour or more spent in this way, Mr. and Mrs. Flesman invited their guests to the dining room, where refreshments were served.

The meeting was a success and the school will no doubt receive benefit from it.
