La Grande Oregon

COUNTY NEWS

(Elgin Recorder.)
 W. D. Sargent, a well known La Grande attorney, was a business visitor in this city yesterday.
 J. D. Slater, who is building Elgin's new school building, visited over Sunday at his home in La Grande.
 F. A. Galloway, formerly with the City drug store, was down from La Grande this week, looking after business matters.
 I. R. Snook, county recorder-elect, was down from La Grande this week to deliver a horse, which he had sold to Dr. E. G. Kirby. Lee Fell taught Snook a new one while in town.
 E. W. Hamble left Wednesday evening to take in the Rose Carnival at Portland. Ed insisted that we announce the fact for fear that some of his friends might think he had committed some rash act as a result of the "immorality" which was handed him in Monday's election.
 H. P. Oliver is a visitor in the city from La Grande.
 W. H. H. Miller at Rest.
 The funeral of the late William H. H. Miller took place from the family home in May Park this morning at 10 o'clock. The remains were interred in the Masonic cemetery. The G. A. R. conducted the burial services.

The Best Guaranty of Merit Is Open Publicity.

Every bottle of Dr. Pierce's world-famed medicines leaving the great laboratory at Buffalo, N. Y., has printed upon its wrapper all the ingredients entering into its composition. This fact alone places Dr. Pierce's Family Medicine in a class all by themselves. They cannot be classed with patent or secret medicines because they are neither. This is why so many unprejudiced physicians prescribe them and recommend them to their patients. They know what they are composed of, and that the ingredients are those endorsed by the most eminent medical authorities.
 The further fact that neither Dr. Pierce's Golden Medical Discovery, the great stomach tonic, liver invigorator, heart regulator and blood purifier, nor his "Favorite Prescription" for weak, overworked, broken-down, nervous women, contains any alcohol, also entitles them to a place all by themselves.
 Many years ago, Dr. Pierce discovered that chemically pure glycerine, of proper strength, is a better solvent and preservative of the medicinal principles residing in our indigenous or native medicinal plants than is alcohol; and, furthermore, that it possesses valuable medicinal properties of its own, being demulcent, nutritive, antiseptic, and a most efficient antiferment.
 Neither of the above medicines contains alcohol, or any harmful, habit-forming drug, as will be seen from a glance at the formula printed on each bottle wrapper. They are safe to use and potent to cure.
 Not only do physicians prescribe the above, non-secret medicines largely, but the most intelligent people employ them—people who would not think of using the ordinary patent or secret medicine. Every ingredient entering into the composition of Dr. Pierce's medicines has the strongest kind of an endorsement from leading medical writers of the several schools of practice. No other medicines put up for life purposes have any such professional endorsement.
 Dr. Pierce's Pleasant Pellets cure constipation. Constipation is the cause of many diseases. Cure the cause and you cure the disease. One "Pellet" is a gentle laxative, and two a mild cathartic. Druggists sell them, and nothing is "just as good." Easy to take as candy.
