Gleanings From the Diamond and Track.

Valley Baseball.

There will be several exhibitions of great American game in the valley tomorrow. La Grande fans will either visit Elgin, Perry or cross the mountains to Pendleton if they wish have a chance to exorcise the unquenchable individual who is popularly supposed to hold the indicator—we in the heroic fellow who stands and the pitcher, commonly known as the "empire," sometimes imperceptibly, by aesthetic individuals who stand before their mirrors before going to a ball game and practice say "prunes and prisms," the empire, Elgin and Union will struggle for privilege of crossing the home on the Elgin grounds, and Cove entertain Perry.

Below we give the standing of the four clubs of the county as reported to us by their respective managers:

Club	Played	Won	Lost	P. C.
Elgin	7	5	2	.714
Perryville	7	5	2	.714
Cove	6	4	2	.667
Chimney	2	1	1	.500
P. S.	2	1	1	.500

First Game at Pendleton.

When Baker City was here playing at baseball, Pendleton fans said that they had come down to give us some practice games. It must seem to our Umattilla Braves that the Babes made good use of their opportunities for practice. The first game over there resulted in a score of 7 to 2 in favor of La Grande. In a letter to Grant Lincoln, Manager O'Brien says: "Everybody sure played a swell game; no errors, and we will bring the bacon home; three out of the four, anyway. There were no routers from home, and we walked over to the bleachers and told them that we would play them, the umpire and the team." The game yesterday was better even than Thursday's, the score being cut down to 5 and 2; again in our favor. It certainly looks as if the boys would come home with an average of at least .833, with a probability of a better one.—P17.

Pendleton Needs Money.

That the umpire's strident cry, "play ball" may not be throttled in his impudent utterance, local baseball

fans will be urged today to stand by the Pendleton team and lend a little financial support to the local members of the league. A subscription committee composed of several leading business men will make a thorough canvass of the city, calling upon the different firms for pledges of support. About \$1500, it is figured, will be needed for the purpose.—Tribune.

Union at Elgin Sunday.

The Union ball team will be in this city next Sunday for a game with the locals. Union has a fast bunch of amateur ball players, and an interesting game is promised. So far this year the teams have played two games, one a tie, the other resulting in a victory for Union, and the locals will do their best to even the score. The game will be called at 2:30 in the afternoon. The expense of bringing Union here is considerable and the local management is deserving of good patronage. Elgin boys will appear in their new uniforms for the first time. The new suits arrived this week and add greatly to the appearance of the team. They are white, with red stockings, and the letter "E" in red decorates the shirt fronts.—Elgin Recorder.

Another Good Find.

H. H. Mulkey was in Joseph Monday displaying some excellent samples of copper ore taken from a prospect which he discovered on Middle Mountain. The ore is very rich in copper, running from 30 to 150 per ton. The ledge discovered by Mr. Mulkey is about 5 1/2 feet wide and is on the same contact as the Royal Purple, the Transvaal and the McCully & Christy copper mine. This contact can be traced quite easily to the head of West Eagle creek, a tributary of the Minam.—Joseph Herald.

Was Wasting Away.

"I had been troubled with kidney disease for the last five years," writes Robert R. Watts of Salem, Mo. "I lost flesh and never felt well and doctored with leading physicians and tried all remedies suggested without relief. Finally I tried Foley's Kidney Cure and less than two bottles completely cured me and I am now sound and well." During the summer kidney irregularities are often caused by excessive drinking or being overheated. Attend to the kidneys at once by using Foley's Kidney Cure. A. T. HILL.

ORINO Laxative Fruit Syrup

Pleasant to take and does not gripe or nauseate

Cures Chronic Constipation, Stomach and Liver Trouble

Stimulation Without Irritation. ORINO Laxative Fruit Syrup is a new laxative syrup combined with the delicious flavor of fruits, and is very pleasant to take. It will not gripe or sicken. It is much more pleasant and effective than Pills, Tablets and Saline Waters, as it does not derange the Stomach, or irritate the Kidneys, Liver or Bowels.

The condition of the patient remains unchanged. The Stomach, Liver and Bowels have not been stimulated and in a few days a stronger purgative may have to be taken. This is why Pills and Aperient Waters never give permanent relief. Their violent action results in an unnatural movement of the bowels and it is necessary to keep taking them indefinitely.

Why ORINO is different. ORINO Laxative Fruit Syrup is the only preparation that really acts upon all of the digestive organs. Other preparations act upon the lower bowel only and do not touch the Liver. It can very readily be seen that a preparation that does not act upon all of the digestive organs can not cure Chronic Constipation, Torpid Liver, Indigestion, Sour Stomach, etc.

For Biliousness and Sick Headache. Take ORINO Laxative Fruit Syrup. It sweetens the stomach, aids digestion and acts as a gentle stimulant on the liver and bowels without irritating these organs.

Clears the Complexion. ORINO Laxative Fruit Syrup stimulates the liver and thoroughly cleanses the system and clears the complexion of pimples and blotches. It is the best laxative for women and children as it is mild and pleasant, and does not gripe or sicken. Refuse substitutes.

OUR GUARANTEE

Take ORINO Laxative Fruit Syrup and if you are not satisfied your money will be refunded.
