## S.S.S. FORTY YEARS SUCCESSFUL SERVICE

When a medicine has stood the test for a period of more than two generations and is then more popular than ever, there can be no doubt of its merit. This is the record of S. S. S. Its period of existence is marked by a long line of cures of blood and skin diseases of every character, and its value in the treatment of such troubles has become so well known that it is today the most extensively used blood medicine on the market. For Rheumatism, Catarrh, Scrofula, Sores and Ulcers, Skin Diseases and all other troubles due to an impure or poisoned condition of the blood, S. S. S. has no equal. It counteracts and drives out the poisons, humors and germs, cleanses the system of all unhealthy matter, cures the disease permanently and restores strong, robust health. Where the blood is weak or anaemic, and unable to furnish the body with the nourishment and strength it needs, S. S. S. supplies it with the healthful properties and acts splendidly in toning up and reinvigorating the system. It goes down to the very bottom of all blood disorders, and in this way reaches inherited taints on which the ordinary blood medicines have no effect. Not only is S. S. S. certain in its results, but it is at the same time an absolutely safe remedy. It is made entirely of roots, herbs and barks of known healing and curative value. It does not contain the slightest trace of mineral in any form to damage the delicate parts of the system, and may be used by children with the same good results and perfect safety as by older people. It is not an experiment to use S. S. S.; it is a remedy with a record and one that has proven its worth by its forty years of successful service. If you are in need of a blood purifier for any cause begin the use of S. S. S., write our physicians and they will send you a book concerning your trouble, and will give without charge any special medical advice that is required.
