## POSTPONE THE GAME

Because Manager Hostler of the Baker City club desired to hold the Walla Walla team there for a double headed series, it has become necessary to postpone the opening with Walla Walla here from today until tomorrow. The postponement does not affect the number of games to be played with the Garden City aggregation, however, as the series will not close until Monday evening, rather than Sunday as it would under the original schedule. The Walla Walla team reaches here tonight and will be ready to open tomorrow afternoon at 3 o'clock.

**Phone at Park.**  
The Pacific Telephone company will install a desk 'phone at the press box in the park at once, and after that is done, the daily papers of the city can keep in touch with the games, from inning to inning. The central office will not make connections with the park for any other party than a representative of either daily in the city.

## BALL TONIGHT

Everything is in readiness for the dance this evening at the Elks' hall, when the La Grande Babes give a benefit dance for the baseball club. The floor space has been enlarged since the last dancing party given there, and dancers will now be able to glide over a large and splendid floor. Invitations to this function are open and all who wish to spend a delightful evening at dancing can do so and, incidentally, help out the baseball club financially.

**Saloon Into Show Shop.**  
By the removal of the Eagles' show shop, now in the Eagles' building, to the location formerly used by the Pullman saloon, the first of several changes predicted since the town went dry is now being made. Today carpenters are at work transforming the old Pullman into a suitable moving picture show room and the change in the location will be made as soon as the work can be completed.—Pendleton East Oregonian.

**Stop Sunday Amusements.**  
Music hath charms to soothe the savage beast, but the city council evidently is not in that class, for at its meeting yesterday evening, a motion made by Councilman Dunham, to the effect that the chief of police be given instructions to prevent the wholesale dispensation of music by the amusement resorts on Main and Alder streets, on Sundays, was carried. Mr. Dunham said he had heard

numerous complaints regarding the practice of the management of the various theaters and amusement resorts in placing a phonograph at their doorways to attract people, and that it had grown to be especially obnoxious on Sundays. Therefore Walla Walla may take on the accustomed Sabbath quietude hereafter.—Walla Walla Union.

**Sherwood's Electric Change.**  
The change at the Sherwood Electric this time has many novel turns in it and the program from beginning to end is up to the usual standard. The songs are catchy ones. The craze for "merry widow" hats and waikes is typified in one splendid film. Notice the program in the house ad. in this issue.

**Grating**  
Is a dead issue. So says Dr. H. C. Parker of the Indiana School of Medicine, in Collier's Weekly. We concur with him. Blue Mountain Cough Syrup will cure your cough, not as pleasant to take as some others, but it contains the ingredients that will positively and absolutely cure that cough.
