LA GRANDE TAKES GAME FROM WALLA WALLA FRIDAY

Standing of the Clubs. Played Won Lost P. C. La Grande 13 11 2 .846 Walla Walla ... 13 6 7 .461 Pendleton 12 5 7 .417 Baker City ... 12 3 9 .333 The bugs say that the opening game with Walla Walla here yesterday afternoon was a farce, a fiasco, rotten, and a few other pet names. The fact remains that, eliminating the distasteful wrangling, the game was a pipkin. The latter judgment is the correct one. What a cloudfest it was! The hitting department of the locals is one that is hard to master. In every inning but one, somebody took a wallop at the sphere sent over by the Swede. The consistent hitting by La Grande was what established that 12 to 7 score in La Grande's favor. While the La Grande Babes were pegging away, Walla Walla got their batting eyes focused in the fourth and fifth innings, with the result that they took the field by storm and registered three runs in each of the cantons mentioned. How Scores Were Made. Routine and perfect work by La Grande retined the first half of the initial inning. With Lodell on ice, O'Brien fanning the ozone, Zimmerman rapped a trio good for two stations. Beck's single scored him. The second was nothin' doing for the visitors and ditto La Grande. Same again for Walla Walla in the first of the third, and oh, geeet what did happen in the last of that session. Lodell started the air waves. O'Brien came back "stung" by Anderson. The Zimmerman-Beck-Fournier combination worked to good advantage for with two go-as-you-please, an error by McAllister and two hits and a few other things, scored Zimmerman, Beck, Fournier and Van Horst. Walla Walla got in with a slug-fer in the fourth. Oriet walked, Harmon binged and Wells dropped one over deep left garden that knocked a cheap skate off the fence, and then hid itself in the weeds between the park and the sugar factory. The gong rang up three that time. La Grande was retired without much effort. The fifth was another swatfest for the visitors with four hits in a cluster—no wonder they scored three again, gaining a comfortable lead. Beck singled, Fournier took a clean two-bagger; Van Horst rapped out a two-bagger that let the base runners register. Number 6 was blank for Walla Walla. But then, La Grande got four in that canton. In the seventh Walla Walla took one leaving La Grande a nest egg. The eighth was La Grande's chance, and with the score lop-sided the last of the ninth was not contested.

away disgusted. His decisions were fair throughout. That catcher Munson sure is the limit. As a ball player he isn't much, but his dimensions as a gentleman are a whole lot smaller. When a group of ladies on the front seats of the grandstand commenced to jolly the disgusting wrangling and rascawing which he indulged in, the "pug" appearing thing in a baseball suit picked up a handful of dirt and deliberately threw it in the faces of the ladies. Swede Anderson has grit, speed and a basketful of curves. Once Fournier's steamwinder angled off the ground, luffed the Swede on the pate with such force as to bounce the ball a distance of 25 yards. The twirler toppled over while four La Grande people rumped into the register plate. Lodell got five unassisted put-outs yesterday. That makes up for his tiny error. Houston is there with the stick and made a hit with the fans all right. The undestable feature of the early half of the game was that intermittent disputing by Munson. He can thank his lucky stars that he is not heavily fined and benched at the same time. The Statistics.
