STREET SIGNS ARE GOING UP

The street and avenue placards ordered at a recent meeting of the council is progressing nicely and a large portion of the city is now supplied with the signs on all corners. The advent of the street sign man has brought citizens face to face with the problem of learning the new names of the streets ordered changed by ordinance some time ago. The signs as put up are correct and residents on street with changed names will have to acquaint themselves with the new titles. The signs are neat, easily read, and will prove helpful to strangers who try to find their way about the city.

MORE THIEVES

Box cars standing in the local yards have been again broken into by the peripatetic hobo, and soap, and other articles stolen. The thief, who in this particular instance is known, left town before he could be apprehended, but the officers expect to pick him up in a short time.

A Pertinent Question.

If there is anything the matter with them, now is the time to have them examined and, if necessary, properly fitted with correct glasses. The wrong kind of lenses would injure instead of improve your sight. I am an Eye Specialist, and understand everything in connection with the human eye, and glasses for same.
