OPERA HOUSE BLOCK LA GRANDE OREGON

LA GRANDE CAN BOAST OF FINE HOSPITAL FACILITIES

During the past year some of the physicians of La Grande have erected one of the most modern, up-to-date hospitals in eastern Oregon. The location is an ideal one, being on the hill at the end of Adams street, and while it affords a magnificent view of the valley and reach of the physicians is far and friends of the patients perfect street to afford the quiet floor is devoted to the kitchen, dining room, janitor's room, laundry, storage, store room and furnace. On the second floor are the office, two private rooms, two wards, the

nurses quarters and a diet kitchen. On the third floor are seven rooms and the operating room, with all the modern equipment for the most delicate operations, of which quite a number have been performed. A corps of five nurses are employed: one surgical nurse, three day nurses and one night nurse. The board of directors of this institution have been exceedingly fortunate in securing for a matron one so well qualified in every way, as Mrs. Grace Herrie. The building was completed the last of March and since the opening of its doors on April 1, has been well patronized, and at the present there are 17 patients there, all of whom are doing nicely.

CONCERT IS POPULAR ONE

The usual Saturday afternoon concert took place on Adams avenue this afternoon before an appreciative audience. The boys have given especial attention to the preparation of the programs for today and many listeners were heard to comment on their marked improvement. A good band is one of the things essential to the progress of a town and if other citizens would show the same spirit the band boys are showing, La Grande would certainly be a "hummer." The program given this afternoon is as follows: March—"Union Forever," Scouton. March—"Eagles" Convention," by Schultz. Waltz—"Wild Flowers," Kiefer. March—"Constellation," Clark. Song and Dance—"Mandolina," Kiefer. March—"International Vaudeville," Alexander. Tonight, in Front of Fountain. March—"United Nation," Barnhouse. Medley overture—"Cluster of Peaches," Beyer. March—"The Tournament," Lincoln. Waltz—"Helena," Pottee. Schottische—"Blew! Blew! Blew!" Johnson. Patrol—"Blue and Grey," Dalbey.

WHOLE FAMILY OBLITERATED
(Continued from page 1.) Mrs. Daniel Cropsey, becoming insane, killed her husband and six children, and then committed suicide. The woman was 39 years old. She went to bed last night in a cheerful mood, according to the neighbors. She got up this morning and prepared breakfast for the family. As the family was seated at the table she suddenly appeared in the door leading from the kitchen, with a revolver, and cried: "Here is where we all go." She turned the weapon on her husband, killing him with the first shot. Her children, ranging in age from 5 to 18, were too shocked to move. She killed two, then reloaded the pistol, and then followed the other four, killing them one by one. The woman met the neighbors at the door, where, with a shriek she sent a bullet through her own head.

ZIMMERMAN IN THE BOX

There has been a general shift in the line-up of the locals today the object being to save Fuchel, the south-paw, for the Sunday game. Then, too, Manager O'Brien is on the partial sick board on account of a game leg. These two factors have made the right garden Pitcher Cotteman's territory for today, while Fuchel played in the center field. Zimmerman, the big moose, out in center usually, occupied the pivot place today. "Zim" has twirled before for the club, while at Baker City, and though not posing as a pitcher, can nevertheless lay claim to some talent in that line. Fournier caught again for La Grande today. Walla Walla's line-up is the same as yesterday, only Emkey, occupied the pitcher's box. "Mouthy" Munson wore the mask again. The Sunday game is expected to bring out the biggest crowd of the

as there has been no game here for some time.

Heavy Damage Rewarded.
Tacoma, June 12.—What is regarded to be the heaviest damage ever awarded in a personal injury case in this district, was returned against the Griffin Wheel company in favor of John Smith, who sued for \$20,000. The jury gave him \$12,500. He was injured while working for the company.

BASEBALL NEWS DOPE

The centers of interest in the national game tomorrow in Union county, from an amateur standpoint, will be at Union and Elgin. At the former place the strong Perry and Union teams will fight it out, while Summer-ville and Elgin are slated to contest at Elgin tomorrow. Cove has been looking for a game all week and will evidently have a holiday tomorrow.

Munson There Again.
Baker City and Walla Walla played an exhibition game at Baker City this week, and among other things, the Baker City Democrat says:

"The game of ball played yesterday by the Walla Walla team against the Baker City team was rather disappointing from a fan standpoint. Munson, of the Walla Walla team played rotten ball and inspired the enmity of the fans and occasioned the umpire to call him out, which, however was retracted at the solicitation of the captains of both teams."

Playing for Money.
A game of ball has been arranged in Wallowa county that is attracting a great deal of attention from the fact that it is to be played for a purse of \$2000. A few days ago the manager of the Enterprise team challenged the county for a side bet of \$1000. The challenge was promptly accepted by the Wallowa team, who will select two players from outside their town. Each side has posted a forfeit of \$500 and the game will probably be played one week from Sunday.

NEW INDUSTRY FORCES GATHER AT THE FRONT

A. J. Garity & Co., of Island City, have been busy all summer with a force of 12 men manufacturing a harvesting machine, which has met with the approval of Washington ranchers in considerable numbers. The machine is really a hay rake, modified and on a new principle, or rather built on a new application of old principles, which renders it much more efficient than the old styles. About \$5,000 worth of machines have been turned out this spring and summer. A lot of them will be shipped to points in Washington Monday, and another lot will be sent forward in July.

the freight, including a valuable piano, destroyed. Agent Buchner lives in the depot and his property, to a large extent, was included in the loss. At this time it is impossible to ascertain a conservative estimate of the loss.

CONCRETS ON WORK TRAIN

Conductor James Conners will take a work train and crew into Wallowa next Monday morning. While the bridge gang is building the bridge, he will haul the material to the front and transport the gravel to where it is needed. The last of this week has seen a general accumulation of material in the local yards, which will all be sent to the front as needed. Engineers and officials of the O. R. & N. are now at the end of the road making preparations for a general resumption of construction Monday morning.

Was Wasting Away.
"I had been troubled with kidney disease for the last five years," writes Robert R. Watts of Salem, Mo. "I lost flesh and never felt well and doctored with leading physicians and tried all remedies suggested without relief. Finally I tried Foley's Kidney Cure and less than two bottles completely cured me and I am now sound and well." During the summer kidney irregularities are often caused by excessive drinking or being overheated. Attend to the kidneys at once by using Foley's Kidney Cure. A. T. Hill.
